Your request

To Whom It May Concern Via FOIA Request Department: Pursuant to the federal Freedom of Information Act, I, Daniel L. Staszak, per my Certificate of Identity attached thereof, request access to and/or an official copy of the full Forensic Examination and/or Report of a Motorola Droid X2 cellular telephone device, bearing serial number (SJUG6250), that was seized by the Federal Bureau of Investigation, (FBI), on June 8, 2012, and that was later turned over to the United States Attorney's Office for the Southern District of Illinois, (USAO), involving a criminal matter in Case No. 4:12-cr-40064-JPG, United States of America v. Matthew Lee Staszak as a "report." I request a copy of the full Forensic Examination and/or "Report" of said cell phone that was provided by the FBI to the USAO to the relevant Department of Justice, (DOJ), components. During the criminal proceedings the Government actually stated there was so much information on the phone that it needed more time to examine it. Therefore, this "report" of said cell phone device is on file with the DOJ. I request wavier of any applicable fees. Release of this information is not complex and is in the public interest surrounding the Actual Innocence of Matthew Lee Staszak contributing significantly to the public's understanding of Government operations and activities involving the previous criminal matter. In particular, the Forensic Examination and/or "Report" will shed light on senior level officials within the USAO and FBI whom have acted corruptly. Given the recent order of the United States Court of Appeals for the Seventh Circuit in Case No. 22-1887 stating it lacks the Forensic Examination and/or Report the public at large has an interest in learning about the attorneys and investigators involved in corruptly concealing this examination and/or "report" surrounding Matthew Lee Staszak's innocence. If my request is denied in whole, or in part, I ask that you justify ALL deletions by reference to specific exemptions of the FOIA act. I will also expect you to release ALL segregable portions of otherwise exempt material. I reserve the right to immediately appeal your decision to withhold ANY information, or to deny a wavier of fees. As I am making this request as a family member

FOIA APPEAL

I, Daniel L. Staszak, hereby appeal the recent standard denial by the FBI in reference to my previous FOIA request as attached in its entirety as follows:

1. The provisions cited by the FBI of "unwarranted invasion" of privacy are not an issue to this cause. See Attached Affidavit of Matthew L. Staszak provided.
2. The criminal case involved (4:12-cr-40064-JPG (S.D. Ill)) has an ongoing actual innocence matter that must be addressed where Matthew L. Staszak has a Writ of Mandamus before the U.S. Supreme Court Case No. 21-8284.
3. The forensic report requested is to show and prove that Matthew L. Staszak is actually innocent surrounding the Count 1 offense of the indictment in its entirety in reference to his numerous Bills of Sale and Affidavits.
4. I have also attached an Affidavit from Matthew L. Staszak concerning the two citations cited by the FBI in its standard issued denial. A forensic report of the Motorola Droid X2 cellular telephone device, bearing a serial number of SJUG6250 has to exist according to documented and transcribed records that the Government was going through the cellphone during Matthew L. Staszak's previous criminal proceedings.
5. Relief: My appeal be properly addressed to remedy the deficiencies and that the forensic report per my previous FOIA be expedited, timely provided, and without fees or costs as this involves an actual innocence matter.

Your request

To Whom It May Concern Via FOIA Request Department: Pursuant to the federal Freedom of Information Act, I, Daniel L. Staszak, per my Certificate of Identity attached thereof, request access to and/or an official copy of the full Forensic Examination and/or Report of a Motorola Droid X2 cellular telephone device, bearing serial number (SJUG6250), that was seized by the Federal Bureau of Investigation, (FBI), on June 8, 2012, and that was later turned over to the United States Attorney's Office for the Southern District of Illinois, (USAO), involving a criminal matter in Case No. 4:12-cr-40064-JPG, United States of America v. Matthew Lee Staszak as a "report." I request a copy of the full Forensic Examination and/or "Report" of said cell phone that was provided by the FBI to the USAO to the relevant Department of Justice, (DOJ), components. During the criminal proceedings the Government actually stated there was so much information on the phone that it needed more time to examine it. Therefore, this "report" of said cell phone device is on file with the DOJ. I request wavier of any applicable fees. Release of this information is not complex and is in the public interest surrounding the Actual Innocence of Matthew Lee Staszak contributing significantly to the public's understanding of Government operations and activities involving the previous criminal matter. In particular, the Forensic Examination and/or "Report" will shed light on senior level officials within the USAO and FBI whom have acted corruptly. Given the recent order of the United States Court of Appeals for the Seventh Circuit in Case No. 22-1887 stating it lacks the Forensic Examination and/or Report the public at large has an interest in learning about the attorneys and investigators involved in corruptly concealing this examination and/or "report" surrounding Matthew Lee Staszak's innocence. If my request is denied in whole, or in part, I ask that you justify ALL deletions by reference to specific exemptions of the FOIA act. I will also expect you to release ALL segregable portions of otherwise exempt material. I reserve the right to immediately appeal your decision to withhold ANY information, or to deny a wavier of fees. As I am making this request as a family member and concerned citizen and this information is further of timely value. I would appreciate your communicating with me by

telephone or email, rather than by mail, if your have any questions regarding this request. Lastly, I request that my FOIA request be EXPEDITED as it involves an actual innocence matter. I hope you can waive any fees involved, due to the fact that I am a retired disable Veteran on a limited income. The credentials include in my COI attachment, will show my status. I look forward to your reply. Respectfully submitted,

You have requested records on one or more third party individuals. Please be advised the FBI will neither confirm nor deny the existence of such records pursuant to FOIA exemptions (b)(6) and (b)(7)(C), 5 U.S.C. §§ 552 (b)(6) and (b)(7)(C). Re: Appeal No. A-2022-01779

Request No. 1552727-000

MWH:MGS

VIA: Email

Dear Daniel Staszak:

You appealed from the action of the Federal Bureau of Investigation (FBI) on your Freedom of Information Act (FOIA) request for access to records concerning a third party. I note that your appeal concerns the FBI's inability to confirm or deny the existence of records.

After carefully considering your appeal, I am affirming the FBI's action on your request. The FOIA provides for disclosure of many agency records. At the same time, Congress included in the FOIA nine exemptions from disclosure that provide protection for important interests such as personal privacy, privileged communications, and certain law enforcement activities. The FBI properly refused to confirm or deny the existence of records responsive to your request. Confirming or denying the existence of such records, including law enforcement records, concerning a third-party individual would constitute a clearly unwarranted invasion of personal privacy, and could reasonably be expected to constitute an unwarranted invasion of personal privacy. See 5 U.S.C. § 552(b)(6), (7)(C). Additionally, it is reasonably foreseeable that confirming or denying the existence of such records would harm the interests protected by these exemptions. See, e.g., People for the Ethical Treatment of Animals v. NIH, 745 F.3d 535, 544 (D.C. Cir. 2014) (upholding agency's refusal to confirm or deny existence of records that would confirm whether investigation of third party had occurred); see also Antonelli v. FBI, 721 F.2d 615, 618 (7th Cir. 1983) (finding that confirming whether third party has been the subject of investigation would likely "constitute an invasion of that person's privacy that implicates the protections of Exemptions 6 and 7").

To the extent that you seek records pertaining to a third party, Matthew L. Staszak, the attempted forms DOJ-361, Certification of Identity, provided in your request and on appeal were improper as they were executed by you and not the subject of your request. As a courtesy to you, please find enclosed Form DOJ-361, which you may use to submit a valid FOIA request authorizing to release information to another person directly to the FBI.

Please be advised that this Office's decision was made only after a full review of this matter. Your appeal was assigned to an attorney with this Office who thoroughly reviewed and analyzed your appeal, your underlying request, and the action of the FBI in response to your request.

If you are dissatisfied with my action on your appeal, the FOIA permits you to file a lawsuit in federal district court in accordance with 5 U.S.C. § 552(a)(4)(B).

For your information, the Office of Government Information Services (OGIS) offers mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769. If you have any questions regarding the action this Office has taken on your appeal, you may contact this Office's FOIA Public Liaison for your appeal. Specifically, you may speak with the undersigned agency official by calling (202) 514-3642.
