**SEALED  
INDICTMENT**

*1:22CR32-AW/MAL*

**THE GRAND JURY CHARGES:**

**COUNTS ONE AND TWO**

**A. INTRODUCTION**

At all times material to this Indictment:

1. The United States Small Business Administration (“SBA”) was an executive-branch agency of the United States government that provides support to entrepreneurs and small businesses. The mission of the SBA was to maintain and strengthen the nation's economy by enabling the establishment and viability of small businesses and by assisting in the economic recovery of communities after disasters.

2. As part of this effort, the SBA enabled and provided for loans directly, and through banks, credit unions, and other lenders.

3. A response to the COVID-19 outbreak was an expansion of an existing disaster-related program – the Economic Injury Disaster Loan (“EIDL”) – to provide for loan assistance (including \$10,000 advances) for small businesses

and other eligible entities for loans up to \$2 million. The EIDL proceeds could have been used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred; however, such loan proceeds were not intended to replace lost sales or profits, or for the expansion of a business.

4. Unlike certain other types of SBA-guaranteed loans, EIDL funds were issued directly from the United States Treasury, and applicants applied for EIDL funds directly through the SBA via an online portal and application. The EIDL application process, which also used certain outside contractors for system support, collected information concerning the business and the business owner, including information about the gross revenues for the business prior to January 31, 2020, and the cost of goods sold. Applicants electronically certified that the information provided was true and accurate and were warned that any false statement or misrepresentation to the SBA, or any misapplication of loan proceeds may result in sanctions, including criminal penalties.

5. EIDL applications were received in and processed using computer servers located in the states of Iowa, Virginia, and Washington. EIDL disbursement payments were initiated by the SBA using computer servers located in the state of Colorado, which transmitted the payment information to the Treasury using computer servers located in the state of Virginia.

## **B. THE CHARGE**

Between on or about December 1, 2020, and on or about March 1, 2021, in the Northern District of Florida and elsewhere, the defendant,

**JOSEPH HARDING,**

did knowingly and willfully devise, and intend to devise, a scheme to defraud and for obtaining money and property by means of materially false and fraudulent pretenses, representations, and promises, and for the purpose of executing such scheme, did cause a wire communication to be transmitted in interstate commerce.

## **C. SCHEME TO DEFRAUD**

It was part of the scheme to defraud that:

1. **JOSEPH HARDING** made and caused to be made false and fraudulent representations in SBA EIDL loan applications and in supporting loan documents submitted to the SBA in the names of dormant business entities, namely, The Vak Shack Inc. and Harding Farms LLC, in order to and in an attempt to falsely qualify for SBA EIDL loans.

2. **JOSEPH HARDING** specifically attempted to cause and caused the SBA to issue SBA EIDL loans, and to disburse SBA EIDL loan proceeds to him based upon loan applications, loan documents, and emails that falsely represented the number of employees and gross revenues for The Vak Shack Inc. and Harding

Farms LLC. Further, **HARDING** falsely represented that these business entities were active businesses during 2019 and 2020 when in fact they were not.

3. **JOSEPH HARDING** knowingly obtained fraudulently-created bank statements for Harding Farms LLC for September 2020 and October 2020 which were used as supporting documentation for his fraudulent EIDL loan application.

4. On or about the day that he submitted his false and fraudulent EIDL loan applications to the SBA for The Vak Shack Inc. and Harding Farms LLC, **JOSEPH HARDING** opened bank accounts at J.P. Morgan Chase Bank (“Chase”) for The Vak Shack Inc. and Harding Farms LLC. In his false and fraudulent EIDL loan applications, **JOSEPH HARDING** directed the SBA to deposit the loan proceeds into these newly-opened bank accounts.

5. **JOSEPH HARDING** electronically mailed and submitted, and caused to be electronically mailed and submitted, false and fraudulent documentation to the SBA in support of the EIDL loan applications.

6. Just days before he submitted his false and fraudulent SBA EIDL loan application to the SBA for The Vak Shack Inc., and on the day that he submitted his false and fraudulent SBA EIDL loan application to the SBA for Harding Farms LLC, **JOSEPH HARDING** filed 2020 Florida Limited Liability Company Reinstatements for The Vak Shack Inc. and Harding Farms LLC with the State of

Florida Department of State Division of Corporations in order to make it appear that The Vak Shack Inc. and Harding Farms LLC had been active businesses.

7. **JOSEPH HARDING** communicated, via email and telephone, with the SBA about the false and fraudulent EIDL loan applications and their status, and the funding of such loans.

8. By this conduct, **JOSEPH HARDING** fraudulently obtained and attempted to obtain more than \$150,000 in funds from the SBA to which he was not entitled.
