Dear Ms. Brown:

The Department of Corrections understands and appreciate the positive influence that family and friends have on those who are incarcerated. The visiting program is an important part of our commitment to maintaining familial ties. However, in some cases, visits are not appropriate.

Your visit privileges are being suspended for 90 days due to the behavior between you and Anthony Clemmons #755828 on August 13, 2022. During your visit, staff observed you kissing with your masks down off your mouths. This is this a violation of visit guidelines and expectations set in place to minimize the spread of COVID-19.

You may appeal the suspension of your visit privileges by writing or emailing:

Department of Corrections
Video Visit appeal
Post Office Box 41118
Olympia, WA 98504-1118

doccorrespondenceunit@doc.wa.gov

Please ensure you include that the appeal is regarding your visit privileges, your name, the incarcerated individuals name and DOC number, the reason for the termination, and the reason you feel your visits should be reinstated.

Respectfully,

A handwritten signature in black ink, appearing to read "Dean Mason".
