Thanks [redacted] sure is tough to do web ops when you can't Tweet!

I've attached a list; the first 6 on the list are our priority accounts. Ideally, we could have them verified (blue check mark) and "whitelisted" (if there is such a thing?) – one of them, @yemencurrent, is currently not indexing. @Justice_AR currently has a request in for Verification but haven't heard anything.

The rest are accounts we use to amplify certain messages – ideally, they could be "whitelisted" as well. Again, if it's too big an ask, the first 6 are the priority. If you need any sort of paperwork or verification from our office or SOCOM, please just let me know.

Also, our SOCOM guys mentioned that they'd love to be able to come and meet up for a face-to-face to talk if you think the right Twitter folks would be up for it?

Thanks again, I really appreciate it.
