RE: Abdillahi, Fardoussa *Rule 20.02 Evaluation*; File#: 73-CR-21-8647

Dear Honorable Judge Hennesy,

I have recently evaluated Ms. Abdillahi pursuant to *Rule 20.01 Subd. 7*. I opine she presently has the requisite skills and abilities for trial competency.

I request additional time to complete the Rule 20.02 evaluation. In part, this is due to the nature and gravity of her criminal charges, and the amount of discovery to review. Additionally, her clinical presentation is somewhat complex. I believe there are cultural aspects to understand relative to her history and presentation of mental illness. Naturally, I plan to interview relevant subjects in order further clarify issues. I will require interpreter services, which I anticipate will lengthen my time working on this evaluation. I would like to target January 31, 2023 if the Court would so allow.

Please do not hesitate to contact me if you have any questions or should you require anything further.

Respectfully submitted,

Request for additional time is approved.
