The following Affidavit is submitted to the Court to document the probable cause in support of a request for the issuance of an Arrest Warrant for **Carlos Alberto Trejo, DOB: 06/09/1986, AGE: 36, SSN:**

This offense is fully documented in Colorado Springs Police Department Report 22-46529 detailing the offense(s) of:

§18-3-103(1)(A), MURDER IN THE SECOND DEGREE, CLASS TWO FELONY (F2)

With the victim(s) identified as:

RODARTE, MARTIN FEDERICO, DOB: 07/25/1985, AGE: 37, GENDER: MALE RACE: WHITE

Your Affiant, Detective A. Colborn/5133, a sworn Police Officer for the Colorado Springs Police Department (CSPD), so employed for over eight (8) years, and now currently assigned to the Homicide/Assault Unit, state under oath that I have personal knowledge of the following facts which are fully documented in CSPD case report #22-46529. Unless otherwise noted, all addresses in this affidavit are within the City of Colorado Springs, County of El Paso, State of Colorado:

On Sunday December 18, 2022, at 01:23 hours, Lt. R. Pantle/166 was working the duty desk at the CSPD Falcon substation (7850 Goddard Street) when he aired via police radio that a male was attempting to break into the secured back door of the substation. Lt. Pantle requested backup officers to his location and contacted and detained the male in handcuffs without incident.

The male, later identified as **Carlos Alberto Trejo DOB: 06/09/1986**, was detained pending investigation into how he entered the secure back parking lot of the Falcon substation and the damage he caused to the glass window at the station. While Mr. Trejo was detained, **Corporal A. Grimes/5147** asked Mr. Trejo "what are you doing?" Mr. Trejo responded "I just woke up and shot my friend in the chest." Corporal Grimes asked Mr. Trejo where this happened, and Mr. Trejo provided the address of 1330 Kelly Johnson Boulevard #307 (the Grand River by Cortland apartment complex). Corporal Grimes asked Mr. Trejo where the gun was, and Mr. Trejo said "I shot him with an arrow." Mr. Trejo identified the person he shot as "Martin".

Your Affiant would note that Corporal Grimes told Your Affiant he had dealt with Mr. Trejo on 12/16/2022, and Mr. Trejo admitted to using acid and cocaine at that time, and Corporal Grimes believed Mr. Trejo was hallucinating and emotionally distraught during his contact with Mr. Trejo on 12/16/2022. Corporal Grimes told Your Affiant that he did not believe Mr. Trejo had actually shot anyone with an arrow this morning, and believed Mr. Trejo was still hallucinating and/or under the influence of narcotics.

Officers requested additional officers respond to the address provided by Mr. Trejo to check the welfare of anyone inside. **Officer M. Womack/6835** and **Officer T. Wyatt/6979** responded to 1330 Kelly Johnson Boulevard #307 at 01:35 hours. Officers noted the front door was shut but unlocked. Officers entered the apartment and

located the body of a deceased adult male on the floor of a bedroom within the apartment. A compound archery bow was located near the male's body.

Your Affiant responded to the Police Operations Center (705 South Nevada Avenue) to attempt to interview Mr. Trejo about what happened. Mr. Trejo requested a lawyer multiple times and was not interviewed by Your Affiant.

Your Affiant contacted Lt. Pantle to get his version of events regarding his interaction with Mr. Trejo. Lt. Pantle stated Mr. Trejo crawled over the back gate of the Falcon substation, entering the secure back parking lot which is surrounded by a fence with clearly marked signs reading "Authorized personnel only". Lt. Pantle said Mr. Trejo attempted to enter the locked back door to the substation. When he was unable to get in the door, Mr. Trejo set off the fire alarm system at the substation by pulling the fire alarm near the back door. Lt. Pantle stated it is normal for the fire alarm to randomly go off in that building due to the building's age, so he reset the system. Lt. Pantle stated he then noticed Mr. Trejo smashing an ice scraper into the window near the back door in an apparent attempt to break the glass and enter the building.

Lt. Pantle contacted and detained Mr. Trejo without incident. Lt. Pantle asked Mr. Trejo "what are you doing?" to which Mr. Trejo replied he was trying to turn himself in. Lt. Pantle asked "for what?" to which Mr. Trejo replied "I killed my roommate."

Your Affiant began researching prior police contacts with Mr. Trejo. On 12/16/2022, Mr. Trejo called the CSPD communications center at 18:54 hours and stated there was a situation in the apartment which he had to get away from, but he wouldn't give the call taker any further information. Officers responded to Mr. Trejo's apartment, 1330 Kelly Johnson Boulevard #307 and attempted to make contact but received no response. Officers contacted Mr. Trejo via telephone, and noted he was very uncooperative, only stating "something" happened at his apartment and he needed to get back there before hanging up on officers.

At 22:48 hours on 12/16/2022, Officers responded to Guthrie's Bar and Grill (1410 Kelly Johnson Boulevard) for a check the welfare on a customer who stated he was on acid, hallucinating, and was making other customers uncomfortable. Officers responded and contacted Mr. Trejo, who admitted to taking acid. Mr. Trejo agreed to be transported to Memorial Central hospital via AMR ambulance for a medical evaluation for a possible acid overdose.

Detective B. Jacobsen/4162 contacted **Tasja Jimenez DOB: 10/08/1993** at 06:58 hours on 12/18/2022. Ms. Jimenez was identified as a possible girlfriend of Mr. Trejo. Ms. Jimenez stated she moved out of 1330 Kelly Johnson Boulevard #307, where she had been living with Mr. Trejo, on or around 12/01/2022 after a disturbance between the two. She told Detective Jacobsen that around the same time, Mr. Trejo's cousin, who she identified as Martin Rodarte, moved into the apartment with Mr. Trejo. Detective Jacobsen fully identified this person as **Martin Federico Rodarte DOB: 07/25/1985**.

Your Affiant would note that patrol officers who entered Mr. Trejo's apartment took a photograph of the deceased male on scene which was shared with Your Affiant. After viewing this photograph, viewing the driver's license photograph on file for Mr. Rodarte, and Mr. Trejo stating the roommate that he killed was named "Martin", Your Affiant believes Mr. Rodarte is the deceased male on scene.

Your Affiant believes **Carlos Alberto Trejo**, in violation of Colorado Revised Statutes §18-3-103(1)(a) Murder in the Second Degree, did knowingly cause the death of Martin Federico Rodarte.

Your Affiant would respectfully request that probable cause be found that **Carlos Alberto Trejo, DOB: 06/09/1986 SSN: [redacted]** did, within the City of Colorado Springs, County of El Paso, State of Colorado, commit in violation of the Colorado Revised Statutes 1973 as amended, the offense(s) of **§18-3-103(1)(A), MURDER IN THE SECOND DEGREE, CLASS TWO FELONY (F2).**
