Re: Public Records Act Request – Use of Force Incidents (2013-2020)

Dear Mr. Sinyangwe:

The County of Madera (the “County”) hereby supplements its response dated December 22, 2022, to your Public Records Act (“PRA”) request dated December 11, 2022, seeking documents regarding use of force incidents from 2013 to 2020.

The County has reviewed your request and has determined that the request seeks access to disclosable public records in the County’s possession. The County is in the process of searching for and gathering the records you have requested. We anticipate that the non-exempt, disclosable records you have requested may be available for copying on or about January 26, 2023. In that event, the County will notify you in writing by **January 26, 2023**, of the estimated page count and the reasonable costs of copying the responsive records that have been identified and gathered.

As always, the County will respond appropriately and will provide disclosable records in accordance with its obligations under the PRA. Please contact me if you have any questions regarding this matter.

Sincerely,

Nisha K. Dale
Deputy County Counsel
