IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **ZACHARY KENT MILLS**, hereafter styled the Defendant, heretofore on or about **December 24, 2022**, did then and there unlawfully, intentionally and knowingly abduct J. W., hereafter styled the Complainant, without her consent, with intent to prevent her liberation by secreting and holding the Complainant in a place where the Complainant was not likely to be found and with intent to inflict bodily injury on the Complainant and terrorize the Complainant and violate and abuse the Complainant sexually.

It is further presented that in Harris County, Texas, **ZACHARY KENT MILLS**, hereafter styled the Defendant, heretofore on or about December 24, 2022, did then and there unlawfully, intentionally and knowingly abduct J. W., hereafter styled the Complainant, without her consent, with intent to prevent her liberation by using and threatening to use deadly force namely, screwdriver, on the Complainant. and with intent to inflict bodily injury on the Complainant and terrorize the Complainant and violate and abuse the Complainant sexually.

Probable Cause

Affiant, Roy Honstein, a credible and reliable person employed as a certified peace officer by Harris County Precinct 4 Constable's Office, believes Zachary Kent Mills, DOB 11/14/2001, hereafter the defendant, committed the offense of Aggravated Kidnapping, in Harris County, Texas on December 24, 2022.

Affiant bases his belief upon the following:

On December 29, 2022, Affiant responded to a report of a patient that had arrived at 5303 FM 2920 Harris County, Texas, wanting to report an assault that had occurred. Upon arrival, Affiant met with the complainant, J.W, hereinafter referred to as complainant, who stated she had met the defendant on Bumble, which is a dating site and started a romantic relationship with the defendant. On 12/24/2022 the complainant agreed to go to the defendant's apartment complex. The defendant picked up the complainant from her residence and drove her back to his apartment located at 8011 Augusta Pines, Spring, Harris County, Texas. The complainant stated that immediately upon entering the defendant's apartment he attempted to start to have sexual intercourse with the complainant. When the complainant denied the defendant's sexual advances, he immediately began to physically assault her and would not let her leave the residence. The complainant advised when he assaulted her, he would strike her using closed fist. Defendant would also bit her on the neck and face. Complainant stated when the defendants hands got tired from hitting her, he would grab a screwdriver and would strike her with the handle of the screwdriver causing serious bodily injury. The complainant advised she attempted to leave but he would keep her inside of the residence and continue to assault her. The defendant did not provide any food or water for the 5 days that he would not let her leave the residence. Complainant was able to leave when the defendant left the residence for his father's house. At that point the complainant gathered up her clothes and ran out the door and contacted the first people who she came in contact with and advised them of what had occurred. Complainant was able to positively identify the defendant. Zachary Kent Mills, by a Driver License photo, Texas DL #41791811, which was provided by the affiant. Complainant was left with severe bruising to both eyes, bite marks and cuts to both her throat and nose, and severe bruising to majority of her body.

Affiant contacted the Harris County District Attorney's Office and spoke with Chief ADA M. Sellergren who accepted Charges for Aggravated Kidnapping 1st Degree Felony.

AGAINST THE PEACE AND DIGNITY OF THE STATE.
