The Grand Jury charges:

Introduction

At all relevant times to this Indictment:

1. Defendant KIM PHUONG TAYLOR (TAYLOR) was domiciled in the State of Iowa, residing in Sioux City, Iowa.
2. TAYLOR is a naturalized U.S. citizen.
3. TAYLOR has been married to PERSON A since in or about 2003.
4. Registering to vote in the state of Iowa permits a registrant to vote in all elections for both federal as well as non-federal candidates.
5. On or about June 2, 2020, a primary election was held in Woodbury County, Iowa for the purpose of selecting and electing candidates for federal, state

and local offices. Qualified voters eligible under the laws of the State of Iowa cast ballots for candidates of their preference at this election.

6. In the primary election on June 2, 2020, candidates for the President of the United States, the United States Senate and the United States House of Representatives were on the ballot in the State of Iowa, including Woodbury County, Iowa.
7. PERSON A was on the ballot for the primary election in June 2020, as a candidate for United States House of Representatives for Iowa's 4th Congressional District.
8. On or about June 2, 2020, PERSON A was defeated in the primary election.
9. On or about July 26, 2020, PERSON A registered to run for the office of Woodbury County Supervisor.
10. On or about November 3, 2020, a general election was held in Woodbury County, Iowa for the purpose of selecting and electing candidates for federal, state and local offices. Qualified voters eligible under the laws of the State of Iowa cast ballots for candidates of their preference at these elections.
11. In the general election on November 3, 2020, candidates for the President of the United States, the United States Senate and the United States House of Representatives were on the ballot in the State of Iowa, including Woodbury County, Iowa.
12. PERSON A was on the ballot for the general election in November 2020, as a candidate for Woodbury County Supervisor.

13. On or about November 3, 2020, PERSON A was elected to the Woodbury County Board of Supervisors.

The Scheme to Fraudulently Obtain and Cast Absentee Ballots

14. From in or about April 2020 through November 2020, TAYLOR perpetrated a scheme to illegally generate votes for PERSON A in support of his bid for Iowa's 4th U.S. Congressional District in the primary election on June 2, 2020, and subsequently his bid for Woodbury County Supervisor in the general election on November 3, 2020.

15. TAYLOR accomplished this through a variety of means, including by approaching residents of the Vietnamese community in Sioux City, Iowa who had limited ability to read and understand English and offering to help them vote.

16. Prior to both the primary and general elections in 2020, TAYLOR visited numerous households within the Vietnamese community in Woodbury County encouraging residents to fill out voter registration forms and absentee ballot request forms that she brought with her for each election. In some instances, TAYLOR either assisted the residents with filling out the forms or filled them out herself. TAYLOR then took the forms with her and either mailed them to the Woodbury County Auditor's Office or placed them in one of the County's drop boxes.

17. TAYLOR also signed voter registration forms and absentee ballot request forms for residents who were not present at the time or told residents who were there that they could sign the forms for their other family members.
18. Each voter registration form contained a Registrant Affidavit stating: “I swear or affirm under penalty of perjury that: I am the person named above. I am a citizen of the United States. I have not been convicted of a felony (or I have received a restoration of rights). I am at least 17 years old. I live at the address listed above. I am not currently judged by a court to be ‘incompetent to vote.’ I do not claim the right to vote anywhere else.”
19. Each absentee ballot request form contained a Requester Affidavit stating: “I swear or affirm that I am the person named above and I am a registered voter or I am entitled to register at the address listed on this form. I am eligible to receive and vote an absentee ballot for the election indicated above.”
20. Prior to both the primary and general elections in 2020, TAYLOR visited numerous households within the Vietnamese community in Woodbury County, encouraging residents to fill out the absentee ballots that they had received in the mail. In some instances, TAYLOR voted the absentee ballots and signed the accompanying affidavits for residents who were not present at the time or told residents who were there that they could sign the forms for their other family members. TAYLOR then took the ballots with her and delivered them to the Woodbury County Auditor’s Office, causing

the casting of votes in the names of residents who had no knowledge of and had not consented to the casting of their ballots.

21. Each absentee ballot was accompanied by a “Voter’s Affidavit” for the voter to sign stating: “I do solemnly swear or affirm by signing below that I am a qualified, registered voter in the precinct for which I requested and received this ballot. I have not voted and will not vote in any other precinct in this election, and I understand that making a false statement on this affidavit is a crime.”

22. TAYLOR voted her own ballots in both the 2020 primary and general elections.
