Dear Mary Koncel,

I am emailing to update you on the processing of the above-mentioned Freedom of Information Act request.

The program offices within APHIS forwarded to the Freedom of Information office copies of documents that are responsive to your request, and those documents are now under review. I am working as quickly as possible to provide you with a release determination. I anticipate that I will be able to provide you a determination by December 3, 2021 for your first partial response.

If you need assistance or have questions in the meantime, please feel free to contact me directly at Michelle.Moreno@usda.gov or 301-851-4084.

Sincerely,

Michelle Moreno
