**AWHC's FOIA Request for International Health Certificates issued by the Animal and Plant Health Inspection Service (APHIS), U.S. Department of Agriculture for Equus caballus.**

This Freedom of Information Act (FOIA) request for records is made by the American Wild Horse Campaign (AWHC), a nonprofit organization dedicated to educating the public about issues related to wild horses and burros exported from the United States to other countries on international flights originating from airports in New York, Chicago, Miami, and Los Angeles.

I. Records Requested

This request is directed at obtaining an electronic copy of International Health Certificates issued by the Animal and Plant Health Inspection Service (APHIS), U.S. Department of Agriculture for Equus caballus (wild and domestic horses).

II. Provision of Documents

We request that the information we seek be provided in electronic format and be provided to the below address as soon as possible. Please provide the records as they become available. If it is easier and more efficient to provide the requested document in paper form, please mail them to the AWHC address below.

If you believe any portion of this request is exempt from disclosure, please provide a detailed description of each withheld document and the legal basis for withholding such document. If records are withheld because you believe that they are in part exempt from disclosure, then we request that non-exempt portions be disclosed immediately.

Date Range for Record Search: From 01/01/2019 To 03/31/2021
