except that an owner may project a sign onto an exterior portion of his or her own property, building or structure if the area occupied by such sign does not otherwise violate applicable sign regulations included in this Part. The person or business who owns or is advertised or identified on the sign shall be presumed to have permitted the placement of the sign in the absence of credible evidence to the contrary and may be cited for violation of this subsection by either the City's Municipal Code Compliance Division or the Jacksonville Sheriff's Office, and the person or business installing or projecting the sign is also in violation of this subsection. Section 2. Codification Instructions. The Codifier and the Office of General Counsel are authorized to make all chapter and

division "table of contents" consistent with the changes set forth herein. Such editorial changes and any other necessary changes to make the *Ordinance Code* consistent with the intent of this legislation are approved and directed herein, and the changes to the *Ordinance Code* shall be made forthwith and when inconsistencies are discovered.

Pursuant to Council Rule 4.901 Emergency. Emergency passage upon introduction of this legislation is requested. The nature of the emergency is that publicly and privately owned lands, buildings and structures are not appropriate venues for installation or display of signage depicting personal or private messages or opinions without the consent of the property owner. Such illegal projections have recently been used to publish the personal messages of the projecting individual, to which the owners of the spaces used to display such personal messages have ardently objected. To ensure the types of displays prohibited by this new Code provision can be immediately enforced by the City's Municipal Code Compliance Division and the Jacksonville Sheriff's Office, emergency passage upon introduction of this legislation is necessary.

Section 4. Effective Date. This Ordinance shall become effective upon signature by the Mayor or upon becoming effective without the Mayor's signature.
