Personally came SA R. Long who on oath says that, to the best of his knowledge and belief,

did, in the County aforesaid, commit the offense, of, TO-WIT 16-11-220 Domestic Terrorism in said County, between the hours of

8:00 AM and 5:00 PM on the 18 day of January, 2023. The place of occurrence of said offense being 1600 Constitution Road, Atlanta, DeKalb County, Georgia

and against the laws of the State of Georgia. Said offense being described as: participating in actions as part of Defend the Atlanta Forest (DTAF), a group classified by the United States Department of Homeland Security as Domestic Violent Extremists. Said group has publicly claimed responsibility for numerous acts while stating their intent was to intimidate employees of the government and private companies into not accepting or completing tasks in and around the site of the Atlanta Police Training Center. These acts have included vandalism at offices and private residences; throwing Molotov cocktails, rocks, and fireworks at uniformed police officers; arson of public buildings, heavy equipment, private buildings, and private vehicles; shooting metal ball bearings at contractors; discharging firearms at critical infrastructure; preventing access to private land; and several other violations of law. Said defendant admitted to participating in previous protests in other states for environmental causes. Said accused was also present on the property during the shooting of a State Trooper by an activist, which resulted in serious injury, and the subsequent shooting of said activist, resulting in death.

and thus deponent makes this affidavit that a warrant may issue for his arrest.
