Re: Request for Extension of Time – Donald J. Trump

Ms. Stevenson:

On behalf of Donald J. Trump, I write to request a second 45-day extension of the deadline for filing President Trump's public financial disclosure (OGE Form 278) related to his candidacy for President of the United States. The current filing deadline is January 29, 2023, and granting our request for a second extension would extend the deadline to March 15, 2023. While President Trump has made diligent efforts to prepare his report, due to the complexity of his financial holdings, President Trump needs additional time to compile the necessary information and complete the report.

Please let me know if you need any additional information.

Respectfully,
