Aside from the press release, is there any other kind of documentation held in the possession of West Point or the US Army that formally memorializes the cooperative and/or contractual arrangement with the AWPAA? I am seeking any responsive documents along these lines as part of my FOIA.

Hello,

If the "United States Military Academy and the AWPAA share a cooperative agreement that allows military members to serve as advisors on the Board of Directors for the AWPAA," shouldn't the USMA have a copy of that agreement subject to disclosure under FOIA? That is among the items I am seeking.

Please advise.

Thanks,

Daniel
