RE: California Public Records Act request dated February 1, 2023

Dear Mr. Wesson,

The Sonoma County Sheriff's Office is in receipt of the request you have made under the California Public Records Act ("CPRA") dated February 1, 2023 stating the following; *On January 11th Michael Voorhees was arrested by the Santa Rosa Police Department. I am requesting his mugshot, his arrest records, the arrest report and any follow-up reports, the charges he was arrested on, and anything else relevant to this felony charges.*

The Sheriff's Office is providing the attached publicly releasable, non-exempt information in response to your request. With that being said, the Sheriff's Office objects to your request for arrest records as the documents requested are confidential records of investigation or investigatory files, and contain privileged and confidential official information and privacy information, and the public interest served by not disclosing the recordings clearly outweighs the public interest served by disclosure of the recordings. See California Government Code § 7923.600-630, § 7927.705, § 7922.000, California Evidence Code § 1040, California Constitution Art. I, § 1. Williams v. Superior Court (1993) 5 Cal.4th 337; Rackauckas v. Superior Court (2002) 104 Cal.App.4th 169; People v. Yarish (1972) 27 Cal.App.3d 893; Haynie v. Superior Court (2001) 26 Cal.4th 1061. As for your request for the arrest report, the Sheriff's Office is not the custodian of record, you will need to contact the arresting agency for the records and information you seek.

This completes the Sonoma County Sheriff Office's response to your California Public Records Act request. Should you have any questions, please do not hesitate to contact me.

Sincerely,

KCordero
