Good morning,

We are in receipt of your fax from January 10, 2023 (which I have attached). Your letter states that your subject matter is "communications with a limited set of named FTX executives". That is not a subject matter and instead defines the type of documents you seek aka emails, phone calls, correspondences... Please let us know what subject matter you seek regarding these communications. For example, are you seeking records regarding their own business (FTX), about IRS policies, or a personal matter?

Our letter to you on December 14, 2022, still stands (see attached). Please reply back to me or in writing by January 16, 2023, with a subject matter for your request or we will be closing your request without any further action.

If you have any questions, please feel free to contact me at (202) 317-5143 or at this email address.
