Complaint

The Affiant, Jim Lindeman, states that on 2/1/2023 at 10:38 in KENTON County, Kentucky, the above named defendant unlawfully: attempted to murder [REDACTED]. On February 1, 2023 Covington Police located [REDACTED] at St. Elizabeth Hospital, suffering from multiple gunshot wounds. [REDACTED] told Affiant he was shot by a person he knows named Nicolas Turner. [REDACTED] stated he met Turner at the sports complex located in Latonia, Kenton County, KY, to settle a dispute which arose on social media after Turner insulted [REDACTED] girlfriend and child. [REDACTED] exited his vehicle and was unarmed at all time. [REDACTED] said a conversation took place while he was on foot and Turner remained seated in his vehicle. [REDACTED] said he thought the confrontation was over and started back towards his car when Turner called him a derogatory name. [REDACTED] said when he turned around, Turner was still in his car. [REDACTED] said Turner then produced a semi-automatic rifle and began firing multiple shots. Turner shot and struck [REDACTED] in his left arm (two wounds), his right arm (two wounds), his shoulder (one wound) and his chest (three wounds). [REDACTED] retreated to his vehicle and fled the scene until he crashed on Boron Drive where a bystander gave him a ride to the hospital. Minutes after the shooting, Turner sent [REDACTED] girlfriend a social media message with a photo of him holding a rifle with the comment, "Imma get down in broad day if ah Nigga disrespecting ours". Given the number of times Turner shot [REDACTED], Affiant believes he was attempting to kill him.
