RE: Attorney General Investigation Request into City of Dallas

Dear Attorney General Ken Paxton,

On January 17th, the City of Dallas' Quality of Life, Arts, and Culture Committee voted to commemorate the 50th anniversary of Roe v. Wade with a resolution that affirmed the city's support for radical abortion policies. On February 8th, Dallas City Council members voted in favor of the resolution.

The resolution advocates for a number of troubling items that we believe conflict with state law in regards to abortion. The resolution states, among other things, that the City of Dallas is committed to supporting the killing of an innocent human life with no limits, that they will support Planned Parenthood and other centers and funds that provide abortion, and that the city further commits to working with local activists to advance radical pro-abortion policies that are in direct contrast to state law.

We believe that the City of Dallas in considering this resolution is attempting to supplant state law. We request that your office review the February 7th memorandum and ensure that no actions can be taken by the city after adopting this resolution that would violate state law regarding abortion.

Sincerely,
