Consistent with 6 C.F.R. § 5.5(a) of the Department of Homeland Security (DHS) FOIA regulations, USCIS processes FOIA requests according to their order of receipt. Although USCIS' goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances. Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Additionally, due to the scope and nature of your request, USCIS will need to locate, compile, and review responsive records from multiple offices, both at headquarters and in the field. USCIS may also need to consult with another agency or other component of the Department of Homeland Security that have a substantial interest in the responsive information. Due to these unusual circumstances, USCIS will invoke a 10-day extension for your request pursuant to 5 U.S.C. § 552(a)(6)(B). Please contact our office if you would like to limit the scope of your request or to agree on a different timetable for the processing of your request. We will make every effort to comply with your request in a timely manner.

This office now offers an online delivery option. Visit first.uscis.gov to register this request. You will need to create a MyUSCIS account if you do not already have one. Once logged on, click the "Register Request" link where you will be prompted to enter your control number, COW2022006042, and PIN, 854230. A Compact Disc (CD) for use on your personal computer will be mailed if you do not wish to take advantage of digital delivery. To request your responsive records on paper, please include your control number and write to the above address, Attention: FOIA/PA Officer, or fax them to (802) 860-6908.

The National Records Center (NRC) has the responsibility to ensure that personally identifiable information (PII) pertaining to U.S. Citizenship and Immigration Services (USCIS) clients is protected. In our efforts to safeguard this information, we may request that additional information be provided to facilitate and correctly identify records responsive to your request. Though submission of this information is voluntary, without this information, your request may be delayed while additional steps are taken to ensure the correct responsive records are located and processed. Further, if we are unable to positively identify the subject of the record we may be unable to provide records responsive to your FOIA request.

You may check the status of your FOIA request online at first.uscis.gov/#/check-status. If you have any questions concerning your pending FOIA/PA request, or to check the status of a pending application or petition, please call The National Customer Service Center at (800) 375-5283. Please be aware that the National Records Center no longer accepts FOIA/PA related questions directly by phone.

All FOIA/PA related requests, including address changes, must be submitted in writing and be signed by the requester. Questions concerning this FOIA/PA request may be mailed to the FOIA/PA Officer at the PO Box listed at the top of the letterhead or emailed to FOIAPAQuestions@uscis.dhs.gov. Please include the control number listed above on all correspondence with this office. You can now submit a new FOIA request online using our new Freedom of Information Act Records System (FIRST).
