DR 104 Personal Conduct: TERMINATION  
 DR 120 Neglect of Duty: TERMINATION  
 DR 127 Duty to Intervene and Reporting Improper Conduct: TERMINATION  
 DR 301 Excessive Force/Unnecessary Force: TERMINATION  
 DR 101 Compliance with Regulations to wit: BWC: 40 DAY SWOP

**Date of Occurrence:** January 7, 2023

**Statement of Particulars:**

On January 7, 2023, you and your partners apprehended a fleeing non-violent individual at Castle Gate Lane and Bear Creek Cove. After the subject was placed in custody, and other officers were captured on body worn camera making multiple unprofessional comments, laughing, and bragging about your involvement. Your conversation and lack of concern for the injured subject was witnessed by a civilian who took photographs and cell phone video. The civilian's viewpoint was you and your partners left the injured subject lying on the ground, handcuffed and unattended. The report of the victim's death was broadcasted on both local and national media sites. The release of any digital evidence of you and your partners' actions will shed a bad light on the Department and City of Memphis. Your on-duty conduct was unjustly, blatantly unprofessional and unbecoming for a sworn public servant. Your actions place you in violation of DR 104 Personal Conduct which states:

***DR 104 PERSONAL CONDUCT***

*The conduct of each member, both on and off-duty, is expected to be such that it will not reflect adversely on other members, the Department, the City of Memphis, or the law enforcement profession. This regulation applies to both the professional and private conduct of all members. It includes not only all unlawful acts by members but also acts which,*

*although not unlawful in themselves, would violate either the Law Enforcement or Civilian Code of Ethics, and would degrade or bring disrespect upon the member or the Department.*

During your encounter with the subject, you held the subject by one of his arms while one your partners pepper sprayed him then excessively struck him with ASP baton. Your other partner punched and kicked the non-violent subject. You failed to recognize the victim's signs of distress and failed to disclose viable information to the responding emergency personnel to render the proper medical attention. According to body worn camera footage, you knew the subject was pepper sprayed, tased, struck with an ASP baton, punched, and kicked. You and your partners also failed to immediately assist the emergency personal with the request to unhandcuff the subject as his condition changed while left unattended on the ground. Your actions place you in violation of DR 120 Neglect of Duty which states:

***DR 120 NEGLECT OF DUTY***

*A. Each member, because of his or her rank and assignment, is required to perform certain duties and assume certain responsibilities. Failure to properly function in these areas constitutes neglect of duty. This regulation prohibits any omission or failure to act by any member of the Department, whether on-duty or off-duty, when such action is required by the stated policy, goals, rules, regulations, orders, and directives of this Department. It applies to any member who, through carelessness, inefficiency, or design, fails to implement the policy, goals, rules, regulations, orders, training, and directives of this Department.*

*B. A member with supervisory responsibility is required to properly supervise their subordinates in compliance with the above, and the failure of any supervisor to do so through deliberateness, carelessness, neglect, or inefficiency shall be a violation.*

During your encounter with a non-violent subject who was not complying with being handcuffed, you held the subject by one of his arms as one your partners pepper sprayed him then excessively struck him with the ASP baton multiple times. You also witnessed another officer punch and kick the non-violent subject multiple times. You failed to take reasonable action to stop the excessive and unnecessary use of force as the subject was not armed and only evading arrest on foot for a traffic violation.

***DR 127 DUTY TO INTERVENE AND REPORTING IMPROPER CONDUCT***

Any member who directly observes another member engaged in dangerous or criminal conduct or abuse of a subject shall take reasonable action to intervene. A member shall immediately report to the Department any violation of policies and regulations or any other improper conduct which is contrary to the policy, order or directives of the Department. For sworn employees this reporting requirement also applies to allegations of uses of force not yet reported.

In your Garrity statement, you admitted you struck an unarmed and non-violent subject with a closed fist two to three times in his face because you and your partners were unable to handcuff him. Your actions were captured on video evidence. You also held the individual's right arm while other officers kicked, punched, and pepper sprayed him several times. Your actions place you in violation of DR 301 Excessive Force/Unnecessary Force which states:

**DR 301 EXCESSIVE FORCE/UNNECESSARY FORCE**

*Excessive Force/Unnecessary* is defined as the amount of force which is beyond the need and circumstances of the particular event, or which is not justified in the light of all circumstances, as is the case of deadly force to protect property as contrasted with protecting life.

Control may be achieved through advice, warnings, and persuasion, or by the use of physical force. While the use of reasonable physical force may be necessary in situations which cannot be otherwise controlled, force may not be resorted to unless other reasonable alternatives have been exhausted or would clearly be ineffective under the particular circumstances. Officers should consider the facts and circumstances known at the time of the confrontation when determining the amount of force to use, including: the severity of the subject's crimes, the immediate threat posed by the subject to the safety of others, and whether the subject exhibits active aggression or is actively resisting arrest. Officers are permitted to use whatever force that is necessary and reasonable to protect others or themselves from bodily harm.

Officers shall never use force or violence that is unprovoked, needless, or not required during performance of their duties when making an arrest or in dealing with a prisoner or any person.

Your body worn camera was activated prior during your initial interaction to apprehend the male subject, but you removed your camera off your duty vest and placed it on the trunk of a squad car during an active scene. You walked away from your camera while it was still recording to have a conversation with other officers about the incident. Your actions place you in violation of DR 101 Compliance with Regulations to wit: BWC which states:

**DR 101 COMPLIANCE WITH REGULATIONS**

*Disciplinary action may be taken for, but not limited to, violations of the stated policy, rules, regulations, orders, or directives of the Department.*

**B. Use of BWC During the Shift**

1. *An officer shall at all times during his/her shift have BWC equipment ready to record police interactions with those they may encounter. This state of readiness includes having the BWC on and in standby mode. Officers shall attempt to maintain a clear, level, and unobstructed forward-facing view. Officers shall attempt to keep the microphone portion of the device unobstructed in order to accurately record audio.*
2. *Officers shall activate their BWC when responding to all calls for service prior to making the scene of a dispatched call. In the event that recording was not started prior to making the scene of a dispatched call, an officer will activate the device as soon as reasonably possible.*
3. *Officers shall record all law-enforcement encounters and activities. Calls for service, self-initiated events (specials), and citizen contacts while not engaged in police activity*

are to be documented via BWC. It is not necessary for an officer to record in a constant state, but is required when his/her duties are being performed and allowed when otherwise prudent. It should be understood that under no circumstance shall an officer's safety be compromised in an effort to record an event.

4. Unless unsafe, impractical, or impossible, officers shall inform subjects that they are being recorded at the beginning of the contact (e.g. "Ma'am/Sir, I am advising you that our interaction is being recorded").
5. It should be understood that even when individuals are in various stages of undress, medically incapacitated, or in a location where video would otherwise be prohibited, BWC recording should continue. Videos will be redacted in a manner to reasonably protect privacy.
6. **Once a recording event begins, the BWC shall remain activated until the event has concluded in order to conserve the integrity of the recording.** Once an event has concluded, an officer will mark the conclusion of the recording verbally after clearing the call/special. In cases of arrest, an officer shall continue recording until custody is transferred.

**Exceptions:** Should an officer have an activated BWC and respond to a call inside of a location that is out of view of the ICV system, the officer may discontinue the ICV recording (e.g. indoor report calls, crime scenes, and other police related events). Should the call progress back towards the car and contact with another individual is made, the event should be recorded by the ICV system.

7. Officers will document the fact that a BWC video was or was not captured on all incident reports, arrest tickets, misdemeanor citations, summons, and traffic citations. This documentation will be referenced by the Computer Aided Dispatch number written on/in the document. In the event that the BWC was not activated, terminated early, or otherwise interrupted, a supervisor will be immediately notified.

**Officers working in an undercover capacity will not utilize the BWC.**

At the beginning of the Administration Hearing, Lt. Cage-Rosario informed the Hearing Officer that Officer Bean would like to waive his rights to have each charge read in detail.

**During the Administrative Hearing on January 20, 2023m Officer Tadarrius Bean** was informed by the Hearing Officer that he is now afforded the opportunity to make a statement. Officer Bean responded, "No Sir", indicating that he did not wish to make a statement. Hearing Officer asked Officer Bean did he give TBI a statement? Officer Bean responded, "No Sir". Hearing Officer asked Officer Bean did he give TBI a written statement. Officer Bean responded, "No Sir".

**Lt. Cage-Rosario** (MPA Representative) was asked if she would like to make a statement. Lt. Cage-Rosario read a written statement which will be included in the Administrative File, "To Whom it May Concern, The Memphis Police Association (MPA) objects to the Memphis Police Department's decision to proceed with the administrative hearing for Officer ~~Essica Cage-Rosario~~ <sup>Tadarrius Bean</sup> prior to the conclusion of the Administrative investigation and/or TBI's investigation. Per Article 14 (MOU Between the MPA and the COM), 'A reasonable amount of time to review the statement of charges (**including all proof to be relied upon by the hearing officer**) is to be given to the representative prior to the administrative hearing. Upon review, several pieces of proof were either omitted from the file, or incomplete at this time. Body worn camera video, which was referenced multiple times in the statement of charges, was NOT provided to the MPA representative, nor were statements from other principal and witness officers. These are only a few examples of the GROSS violations of this officers' right to due process. Not only is this a right under the MOU, but it is a right guaranteed by federal law. See Cleveland Board of Education v. Loudermill, 470 U.S. 532 (1985) where the Court provided that a public employee with a property right to his or her employment must be provided notice of charges against them and a hearing to provide them with an opportunity to defend themselves against the charges against them. Additionally, that hearing must be a meaningful one. See Wagner v. City of Memphis, 971 F. Supp 308 (W.D. Tenn 1997). In Wagner, Mayor Herenton predetermined the outcome of the hearing and the court said there was no due process.

This will serve as the MPA's statement for this administrative hearing.

**Hearing Officer convened the hearing on 01/20/2023 at 1105 hrs, without rendering a decision. Hearing reconvened on 01/20/2023 at 1715 hrs. In attendance were Officer Tadarrius Bean, Lt. Essica Cage-Rosario (MPA) and Deputy Chief M. Hardy (Hearing Officer).**

**In conclusion**, the Hearing Officer carefully reviewed all documents related to each alleged violations of the listed DRs by Officer Bean, including the Garrity statements of all the charged officers and the Response to Resistance forms. The Garrity statements made by you and the other charged officers are not consistent with each other and are not consistent with the publicly known injuries and death of Mr. Nichols. Hearing Officer additionally considered the statement made by Lt. Cage-Rosario.
