Trump still talking legal actions but in calmer voice.

Everything seems to be moving to Biden and if Trump becomes a sore loser we should watch Sean especially and others don't sound the same.

Not there yet, but a danger.

Turkey on now with Fox and Friends sounds pretty sensible. If Biden holds Az, Nevada, Georgia and Pa very hard to credibly cry foul everywhere.

Love to hear likely House numbers.

Pelosi majority halved?

Finally got Fox on here and nice to see plenty of breaks! Yesterday CNN had none. But so biased as to be unwatchable!

Hello, Suzanne and Jay -- Tony Fratto here from Hamilton Place Strategies.

My client is Dominion Voting Systems which, as you know, has received a great deal of attention on FoxNews and from the President. An enormous amount of misinformation -- actually, completely and verifiable wrong information -- is finding its way on-air. I was wondering if you both would consider accepting an off-the-record briefing from Dominion to walk through the business and our concerns.

Let me know if you want to discuss further. Also, I hope you know I have many friends at FoxNews and it's not my usual way to go this route -- I prefer to always talk to on-air talent and producers, but I think this situation is crossing dangerous lines.

Thanks, t

After you've settled in let's talk about things. See today's piece in Journal about Newsmax. These people should be watched, if skeptically.

Trump will concede eventually and we should concentrate on Georgia, helping any way we can. We don't want to antagonize Trump further, but Giuliani taken with a large grain of salt. Everything at stake here.
