I attempted to arrange an interview with Jennifer but she would not return my phone calls or text messages. I was informed by Jennifer's daughter that her mother had retained an attorney and the number I was trying to contact her on was correct.

It should be noted both Jennifer and mention having sexual interactions apart from the address on Steeping Stone but the address on Steeping Stone specifically falls under the jurisdiction of the Oklahoma City Police Department.

I staffed this case with Cleveland County Assistant District Attorney Jennifer Austin who informed me to file one (1) count of Rape 2 and one (1) count of Sexual Battery.
