Good morning Alec,

USCIS FOIA has located one responsive record related to your request stating: "The MiDAS forms recognition contract that was signed circa 2017." This contract is titled "Midas System Quality Assurance Services" and was awarded to MaxiSoft Corporation in May 2018. Can you please confirm whether or not this contract is the one you are seeking?

We look forward to hearing from you.

Thanks,

Samantha

I'd assume so! Let's just go with it. Thank you.
