- I, Detective Morgan Black, being first duly sworn on oath, deposes and states that he is a Detective of the Sioux Falls Police Department and states that she is one of the officers in charge of the investigation of the above-styled matter. That your Affiant makes this Affidavit in support of the State's Attorney's request for a warrant for the arrest of the above-named Defendant(s), and in compliance with SDCL 26-10-1 and states as follows:
- 1. On 04/27/2022 Officer Lanning with the Sioux Falls Police Department was dispatched to FRANKLIN AVE, Sioux Falls, Minnehaha County, South Dakota for a sex offense. A Sioux Falls police report was generated under incident number PD22-008705.
- 2. Officers met with the victim, (and that she has been sexually assaulted by a Native American Male who was around 23 years old, he was wearing a long sleeve red shirt, blue denim jeans and tan work boots with white paint splattered on them. The victim advised that the suspect went by the name of "Dre", he also had tattoos on both of his arms and he had been carrying dark colored backpack with a broken strap that had been tied together.
- 3. The victim stated that the suspect had led her down a path next to the westbound viaduct, and stated that the assault occurred off a dirt path on some wooden crates by the train tracks.

- 4. The victim went on to say that the suspect would not take no for an answer. During the interaction he kept asking if 'she trusted him' and at one point asked if he could be her boyfriend. The victim said during the whole interaction by the crates, she felt unsafe.
- 5. The victim stated that they arrived to the crate area around 2120 hours. While there she and the suspect were kissing, during this the suspect kept trying to put his hand in her pants and she told him no. The victim told the suspect "this is as far as it can go".
- 6. The suspect then grabbed the victim's head and forced it down to his penis and made her perform oral sex on him. The suspect had already asked her for oral sex and she had refused. The victim said she did not know how he had exposed his penis, but it was already out and erect. At this time the victim informed Officer Lanning that she was fearful of him and stopping things because he is stronger than she is.
- 7. The suspect then grabbed a yellow blanket to cover them up and he put his hand down the victim's pants. The victim informed him that she was on her period and had a tampon in. The suspect instructed her to remove her tampon, the victim removed it and layed it on the ground.
- 8. The suspect then inserted his penis into the victim's vagina, he did not wear and condom and ejaculated inside of her vagina. The victim stated that she was frozen in fear during and after the incident. After the suspect ejaculated he rolled over and went to sleep.
- 9. Officers went to the area the victim had described to attempt to find the suspect and any additional evidence. Officer Pollema and Office Millard checked the area. Officer Pollema observed a male wearing black pants, red long sleeve shirt, with paint-covered shoes laying on his side on a blue colored wood pallet with a dirty white colored fitted mattress sheet over him near him an Adidas gray and black colored backpack was laying on the ground. This individual was identified as the defendant.
- 10. Officer Millard said "Dre" which woke the defendant up. The defendant sat up and Officer Millard and observed that the defendant was covered in black tattoos, including a small cross along his left inner wrist, which would be consistent with the information provided by the victim. Officer Millard could see a pair of blue jeans laying across from the defendant's location to the North.

- 11. Officer Millard detained the defendant and read him his Miranda Rights and the defendant waved his rights and agreed to speak with Officer Millard. The defendant stated that he met a woman at The Banquet and that they had consensual sex. The defendant stated that the sexual encounter was the victim's idea and that he did not wear a condom and did not ejaculate.
- 12. The defendant also denied that oral sex had taken place. Buccal swabs were collected from the defendant.
- 13. The victim went to Avera McKennan Hospital to have a sexual assault kit completed.

The kit and buccal swabs were sent to the South Dakota Forensic Lab for testing.
The results were "The DNA profile obtained from the sperm cell fraction of item
2.02/2.03 (internal genitalia/cervical swabs -
mixture of DNA from two individuals. The major contributor profile was able to be
distinguished at some loci and is consistent with originating from Mandre Adams." "The
DNA profile obtained from the sperm cell fraction of item 2.05 (perineal swabs -
is consistent with being a mixture of DNA from two individuals. The major
contributor profile was able to be distinguished, matches the DNA profile obtained from
the known sample of Mandre Adams."

15. All these events took place in Sioux Falls, Minnehaha County, South Dakota.

M.Black #1035
