- Mr. Brown might have placed his number on the application by mistake he (Mr. Brown) is the contractor for the event. I inquired if he has any additional information that he could give me for the event. Mr. Martin said there are a few events that they have going on and he does not know which one I was referring. When I asked about the "few events", he stated that the events were in the hotels. Mr. Brown would be the best person to contact for any additional information regarding the One Nation Under God. He only deals with the logistics and the hotel bookings for the event.

@ 1421 hours, Mr. Brown returned my call. The following was discussed

- I see that is Mr. Ali Alexander listed as a speaker for your event can you elaborate. Yes, he is the President of Stop the Steal and is one of the speakers/host for the day. Mr. Alexander will be speaking about three to four times at a few events on January 6, 2021 to include Freedom Plaza.

Mr. Brown goes directly with Mr. Martin and Mr. Alexander regarding coordinating the One Nation Under God event. Explained that when I spoke with Mr. Martin he acted as if he had no information on the event and to go directly with you for information. Mr Brown said that he was shocked that he would say that because he is in daily communication with Mr. Martin for information regarding the event. He does not understand why he would say that or not give me the information I requested.

- Website: wildprotest.com, donorbox.org, stopthesteal.us

The website has a map that has a star on the map that says Come Here in Area 8 and if you click on the map there is a star on Area 9 that says meet here. His initial application requested Area 9, which was unavailable, and then he requested Area 8.

## Coordination Questions

The speakers that will be speaking at both Stop the Steal and One Nation under God has Ali Alexander and CJ Pearson to name a few. I explained that it appears that the Stop the Steal and the One Nation Under God is one in the same due to the similarities and the affiliation with Ali Alexander. I advised Mr. Brown of my concerns of not being able to regulate their numbers to 50 persons or less. I explained that once information is on social media it is hard to regulate the number of participants. If his event is in fact one on the same Capitol Police will not be able to accommodate his event due to the participant numbers being out of regulations and a public safety issue. Per Mr. Brown he communicated all the rules with the group to include the 50 persons or less and they are aware that they have to keep their numbers regulated to 50 persons.

- Advised that if on the day of his event and he cannot maintain his numbers appropriate Police action will be taken to include shutting down his event
- Also, advised he can touch base with NPS to see what there allowance would be on 3<sup>rd</sup> Street Grassy Portion
- He would like to move forward with his event as planned with 50 persons for January 6, 2021.

@ 1750 hours, Email sent to the spokesperson to provide information on how he plans to maintain his numbers to 50 persons or less along with an event timeline.

- Please see attached email

12-29-2020 @ 1506 hours, email reminder for pervious email

- Please see attached email

@ 1601 hours, spokesperson called to inform that he is working on a plan on how to ensure the crowd will maintain at 50 persons

- Reduce the amount of hours at the Capitol in Area 8
- Planning for Freedom Plaza, to have the major speakers. At the Capitol there will only have the MOC speaking
- Co-sponsoring the events at Freedom Plaza to have a longer event there
- He is a certified Fire Marshal and crowd management so he understands why it is being asked for the numbers to maintain. He wants to comply to be able to have a safe event with in regulations
- He advised once he has a concrete plan he will send it over tomorrow
