Hello. It is approaching three months since the last update on 22-03507-F. Can you let me know if it has progressed and when you expect to send a response? The ED FOIAxpress page still has only the vague update of "in process," the same update since Aug 26, 2022, the day after I submitted it.

Thank you.

Thank you for the update.

The FOIAxpress page is not really useful. It only seems to show vague terms such as "in process" that do not show the actual status of a FOIA request. So I appreciate your update.
