<p>The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody</p> <p><input type="checkbox"/> committed the below acts in my presence. <input type="checkbox"/> was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.</p> <p><input type="checkbox"/> confessed to _____ admitting to the below facts. <input checked="" type="checkbox"/> was found to have committed the below acts, resulting from my (described) investigation.</p> <p>On the 14th day of March 2023 at 1829 <input type="checkbox"/> A. M. <input checked="" type="checkbox"/> P. M. (Specifically include facts constituting cause for arrest.)</p> <p><input checked="" type="checkbox"/> Marsy's Law CVI FL. Const. Art.1 § 16(b)</p> <p>On 03/14/2023 at approximately 1829 hours, I was dispatched to the area of _____ Palm Beach County, Florida _____ in reference to a hit and run crash with injuries.</p> <p>Upon arrival, I made contact with the complainant, who identified himself to me as _____. I immediately noticed that _____ was walking with an obvious limp and deformity to his left leg. _____ also had a bruise on his left calf. _____ advised the following in a sworn recorded statement (not verbatim): His two _____ were riding bicycles with him in the area of _____. when a blue Toyota Corolla entered the neighborhood at a high rate of speed and turned left "southbound" on Headwater Circle towards his _____ and him. The Vehicle barreled towards him, and the passenger side of the vehicle struck the right grip of the bicycle handlebar, causing him to fall to the ground. The vehicle barely missed his _____, and _____ told him she had thought she was going to die. He feared the driver had intentionally attempted to run him over and was going to kill his _____ and him. He began to yell at the vehicle to slow down. The vehicle then began to intentionally reverse and strike him in the leg with the rear bumper. He got a good view of the driver just before he put the vehicle in drive and took off deeper into the neighborhood at a high rate of speed. He can identify the driver by facial features. He contacted 911 and waited near the entrance/exit of the community as he knew there was only one way in and out of the neighborhood. The blue Toyota Corolla remerged and was attempting to flee through the exit gate of the neighborhood. He began to record the vehicle with his camera phone and noticed a piece of paper was covering the tag. He ran toward the rear of the vehicle and ripped the paper off to reveal the tag to be FL Tag 07D-FRS. The vehicle began to reverse in an attempt to hit him a third time, driving up onto the grassy swale in the process. He jumped out of the way and managed to evade the vehicle. As the exit gate opened, the blue Toyota Corolla took off at a high rate of speed out of the neighborhood in an unknown direction.</p> <p>_____ confirmed that his injuries included a torn muscle in his left leg, bruise to his left calf, and other possible internal injuries. _____ reviewed the video from the incident that was recorded by the victim _____. The video shows the vehicle trying to exit the community with the license plate obscured with the white paper. It then shows the vehicle abruptly reverse, turning on an angle directly at _____. _____ attempted to take the paper off the license plate, to which the vehicle attempted to back him over. I took photos of _____ his injuries, as well as the damaged bicycle (\$300 value). _____ 11-year-old _____ was so upset by the incident that she was unable to provide a statement and was extremely nervous. Numerous bystanders who wished to remain anonymous advised the blue Toyota Corolla parked in a cul-de-sac of the neighborhood. The driver was seen exiting the vehicle and taping a piece of paper over the license plate, obscuring it from view. Surveillance cameras were also noted at the front of the neighborhood which likely captured the incident. Surveillance footage is currently being obtained through the HOA.</p>

M. <input checked="" type="checkbox"/> P.M. (Specifically include facts constituting cause for arrest.)</p>								
<p>A records check was conducted to which it was discovered [REDACTED]. I made contact with Ermitha Germain via telephone, who advised that she had lent the blue Toyota Corolla to her brother Mikenson Germain. I contacted Mikenson via telephone, who advised he had given the blue Toyota Corolla to his nephew, Marcendy Elie. I contacted Marcendy via telephone, and he spontaneously uttered that he did nothing wrong and that "the other guy" hit him with the bike. I explained to Marcendy that he would need to return to the scene to provide his recollection of the event. Marcendy advised he would arrive shortly. Approximately two hours later, Marcendy had not returned.</p> <p>I created a photo array of 6 individuals, including Marcendy, whom all looked similar. D/S M. [REDACTED] responded to the District 9 office and met with the victim to administer the photo array. A recorded photo lineup was conducted by D/S [REDACTED] to which the victim was read standard admonishment and photo array instructions. The victim, [REDACTED] positively identified Marcendy Elie as the driver of the blue Toyota Corolla. [REDACTED] provided me with the paper that had been ripped off the Toyota Corolla which Marcendy had used to obscure his tag. The paper was submitted to evidence under this case number.</p> <p>I conducted a records check of Marcendy and discovered [REDACTED]. Marcendy spontaneously uttered that the other male had struck the vehicle and that he had done nothing wrong. I read Marcendy his Miranda Rights off of my pre-printed PBSO Miranda card. Marcendy advised he understood each individual right. Marcendy declined to provide a statement at this time. A further records check of Marcendy revealed [REDACTED].</p> <p>I observed that the Blue Toyota Corolla in front of the residence at 981 Orchid Dr. The vehicle had damage consistent with striking the victim on the front passenger side to the rear passenger side. It should be noted that a layer of dirt and grime covered the car, with obvious impressions of where the collision took place in the form of rub marks across the whole passenger side panel of the vehicle. Based on the vehicle being used in the commission of a felony, as well being the instrument of such (weapon), I seized the vehicle as evidence. An inventory search was conducted to which the following was located: a backpack in the trunk with two (2) unfired (live) rounds of ammunition and two (2) bottles of prescription medication (not controlled substances) in the glove box in the name of "Mikenson Germain". Sister's Towing towed the Vehicle to the PBSO Impound lot.</p> <p>Marcendy was turned over to D/S [REDACTED] for transport to the PBSO Main Detention Facility. Upon doing so, Marcendy became verbally hostile, making numerous Anti-Semitic remarks. Marcendy screamed "Fuck nigga Jew bitch, Kanye was right, gas the kikes." Marcendy's verbal hostilities continued, to which he kicked and spat on the rear partition of the vehicle, demanding to be release from custody. Upon arrival to the detention facility, Marcendy exclaimed: "I would rather be arrested by a nigga than a Jew." It should be noted that D/S [REDACTED] is of Jewish faith.</p>
