Soros believes that with his hand-picked D.A. – Alvin Bragg – having **ARRESTED** President Trump for committing *no crime*, they can bleed our campaign dry by dragging us through witch hunt after witch hunt.

But what better way to PROVE that our campaign will NEVER SURRENDER our country to the Left's tyranny than countless grassroots patriots proudly wearing their very own "NOT GUILTY" T-Shirts.

As Soros and the Fake News concoct a witch hunt to try and vilify President Trump, YOU can prove that the American People aren't falling for their lies – and are proud to peacefully stand with President Trump and proclaim his innocence!

[Please make a contribution of \\$47 to help our campaign continue to SURGE at this pivotal moment in our nation's history – and we'll send you your very own "NOT GUILTY" T-Shirt for **FREE**.](#)
