between the hours of 1255 and 1328 hours., at 724 Castledale Court, within St. Johns County, violated the law and did then and there:

F.S.S. 918.13 - Tampering with or fabricating physical evidence

On Sunday, May 9, 2021, at approximately 1000 hours, T.B., a 13-year-old juvenile, was reported missing. The ensuing investigation led deputies to believe she may have been in contact with A.F on the evening of May 8th, 2021.

Contact was made with A.F. at his residence and his mother, the above-named defendant, was present. A.F. volunteered to ride with deputies to show where he was last with T.B., As A.F. spoke with deputies his story began to change, and he subsequently invoked his Constitutional Rights. T.B. was located deceased from an apparent homicide and A.F. was determined to be the primary suspect. During the course of the investigation, a witness identified that A.F. was wearing jeans on May 8, 2021 at 8pm before the murder of T.B. Based on the investigation, A.F. did not go home or change his jeans prior to the early morning hours of May 9, 2021 when T.B. was murdered by A.F.. Moreover, video surveillance during the early morning hours on May 9, 2021 indicate A.F. was wearing jeans.

During the course of the homicide investigation, video surveillance was obtained from the defendant's residence. Video surveillance confirmed deputies speaking with A.F. with the defendant present. After A.F. left voluntarily with deputies, the defendant can be observed on her video surveillance going to A.F.'s bedroom at approximately 1255 hours, retrieving what appeared to be a pair of blue jeans, taking the jeans to the adjacent bathroom, and appeared to be scrubbing the jeans in the bathroom sink. The defendant then was observed on the video taking the jeans to her master bedroom for a period of time.

A witness can be observed from the video surveillance inside the residence at approximately 1305 hours, and appeared to have a discussion with the defendant. The defendant retrieved the jeans from the master bedroom and both the witness and the defendant can be observed inspecting the jeans several times before the defendant returned the blue jeans back to the bedroom of A.F. at approximately 1328 hours.

During the course of the homicide investigation, A.F. was transported to the St. Johns County Sheriff's Office and placed with his biological father and biological mother - the defendant - in an audio and video recorded interview room. While in the interview room, A.F.'s parents asked him about anything that would be on his clothes from the previous night. A.F. advised he was wearing blue jeans. The defendant asked A.F. if he was sure there was nothing on them, A.F. responded "I think so, why?" The above-named defendant could be observed giving A.F. a questioning look and whispered "Blood."

The witness from in the residence was identified and contacted on May 12, 2021 at her residence. Detectives conducted a surreptitious audio recorded interview in which the witness advised the defendant located a pair of damp jeans in A.F.'s bedroom hamper. The defendant asked the witness if she saw anything on the jeans, and stated she washed the jeans. The witness stated the defendant
