- The brief facts in support of the probable cause for the warrantless arrest of the above named suspect are as follows:

I, Sergeant Jeffery Moore, of the Elbert County Sheriff's Office are aware of the facts and circumstances surrounding the following information and have personal knowledge of the investigation. The following statements were authored by Deputy Mike Watters, but due to time constraints he was unable to complete this affidavit prior to advisments.

On March 31st, 2023, at approximately 1918 Hrs., Deputy Watters, with the Elbert County Sheriff's Office was dispatched to a disturbance at [REDACTED] County of Elbert, State of Colorado.

Dispatch notes:

- Sister just made violent approach to Reporting Party (RP).
- Sister threatened to shoot up a school.
- Sister's name Lily Whitworth 19 years old.
- Sister has severe anger issues.
- Sister made same comments day before yesterday ref school shooting.

Upon arrival at the residence, I spoke with [REDACTED] at the front door. [REDACTED] stated that her upstairs, and was very upset and punched holes inside the walls in the residence. [REDACTED] stated that we would be able to speak with her sister downstairs and that we would have to go around the house to the sliding glass doors in the basement due to boxes piled upstairs.

As Deputies were going around the house, [REDACTED] did not let us in right away and could observe that she was speaking to someone coming, but I could not hear what they were saying.

[REDACTED] then let us in the door and stated that her sister was sleeping in her room but did not believe that she was awake.

Once entering the home there was trash piled up all around the house to where it made it hard to walk inside. There were numerous containers filled with half eaten food with mold growing inside and numerous alcoholic beverage containers laying around the house.

[REDACTED] pointed us to the room where her sister was lying in bed. Just prior to reaching the room, I observed two holes, that appeared to be punch marks in the wall. The door to the bedroom was off its hinges and lying beside the opening. I announced myself numerous times without her sister moving. I had to step over some trash and reach out and touch [REDACTED] sister on her foot to wake her up.

Upon waking her up, the white female identified herself as Lilly, but upon further investigation her birth name is William Whitworth (DOB:01/31/2004). For the remainder of the report the suspect will be identified as Lilly. I attempted to clear Lilly and William through NCIC/CCIC and other law enforcement databases but was not able to find any information on the party.

Inside the room there was trash piled up beside her bed so high that it was level with it, there was a hole in the wall beside the bed, and the sheets on the bed that were supposed to be white were stained brown.

#### Speaking with Lilly:

Upon speaking with Lilly, she appeared to be very drowsy and could not stay awake. She would answer a question then close her eyes. I asked Lilly if she said she was going to shoot up a school and she visibly shook her head up and down indicating yes. I asked Lilly why she said that, and she stated, why does anyone do it. I asked Lilly what the last school she went to was and she stated "Timberview middle school". Lilly stated that she went to Timberview for fifth, sixth and seventh grade. Lilly stated that she has been home schooled since going to that school. I asked Lilly what school she said she was going to shoot up and she placed her hand over her face. I stated Timberview was your last school and Lilly shook her head up and down indicating yes. I asked her how come that school and she stated, "No specific reason".

#### Suicidal statements (The following were questions and answers):

- I asked Lilly if she was thinking of harming herself tonight and she shook her head up and down indicating yes.
- I asked Lilly if she has had any suicidal ideations in the past and she shook her head up and down indicating yes.
- I asked Lilly how often she had these thoughts and she stated quite often.
- I asked Lilly if she has received any help in the past and she stated no.
- I asked Lilly if she were to commit suicide how would she do it, she stated she would take medication or a round to the back of the head.
- I asked Lilly if there were any weapons in the home and she stated not that I know of. I did not observe any firearms around the house, but I observed bottles of firearm cleaning liquids on the pool table in the downstairs living room.

I asked Lilly if she had taken any medicine tonight and she stated no.

- I asked Lilly to get out of bed, and she was walking down the hallway, I observed her swaying back and forth.

As Lilly was walking out to find her shoes she stated, "I'm a little drunk by the way". I asked how much Lilly had to drink and she stated, "enough I'd say". Due to Lilly being intoxicated and her falling asleep while I was talking with her, I started Kiowa and Elbert Fire to perform and a medical clearance. Lilly was medically cleared.

While waiting for the fire department to show up Lilly was asked how much she had been planning the school shooting and Lilly stated she's about a third of the way from doing it. Lilly verified that Timberview Middle school was one of the "main targets" currently and other targets were churches. Lilly was asked what kind of planning she had done, and she stated layout of the school, active firearm planning and starting a manifesto.

Lilly stated she has been planning it for a month or two. Lilly was asked again to verify if it was Timberview and she stated yes. Lilly was then asked the location of the school and she stated its on Scarborough drive in Colorado Springs. The actual location of the school is 8680 Scarborough Dr., Colorado Springs, Colorado.

#### Manifesto:

After moving my vehicle out of the way so the fire department could drive up to the residence, I asked Lilly about the manifesto she had previously talked about. Lilly stated that the manifesto was four pages long and had schizophrenic rants on them. I asked Lilly if she was schizophrenic and she stated, "I hope not". I asked Lilly if I could look at her manifesto and she stated are you going to charge me with a felony. I told Lilly that I just wanted to see it and she stated I would argue that you would and started to explain the charge and how it is a felony. Lilly then started to describe how Josh Pillault was charged with it and how he was making comments about Columbine on the videogame Rune scape. I asked Lilly how much she knew about school shootings, and she stated, "too much". I asked what she meant by too much and Lilly stated there's a page in my manifesto and there's a bunch of mass killers.

#### Dry Erase board:

After the fire department left the scene, I walked back inside the residence and Deputy Klouser pointed out a dry erase board that was sitting downstairs. On the dry erase board, it looked to be a labeled floor plan of a school. The board was labeled as follows.

#### Dry erase board floor plans:

- Bio?
- Math
- Bathrooms
- Eng or Lit?
- Social Studys?
- BandComp
- And the floors labeled bottom floor and second floor.

Sergeant Whitlock started asking Lilly about the earlier mentioned manifesto and Lilly offered to show it to us. Deputy Klouser and I started looking around for a leather-bound notebook with a strap around it. Due to the amount of trash, we found a couple notebooks that matched the description, but Lilly stated that they weren't it. Lilly then asked if she could come over to help find it and we stated yes. Sergeant Whitlock asked how recently Lilly had written in the notebook and she stated within a day.

Deputy Klouser and I found two different notebooks and inside we found the following.

Notebooks:

- Drawing of what appears to be an office desk set up.
- Further floor plans.
- Drawing of a clock to use as a detonation device stating, "remove clock intemials and drive a screw into the desired detonation time on the face of the clock".

Is this what they meant when they said making a mockery of the massacre?

Names listed in the notebook:

I asked Lilly about the picture of the detonator, and she stated that she watched the video on YouTube about how to do it. Lily then proceeded to explain how bad YouTube safety procedures are.

Sergeant Whitlock advised Lilly of her Miranda rights at approximately 2100 Hrs. and Lilly stated she doesn't know if she wants to talk to us. No further questions were asked.

Lilly was placed into custody at approximately 2115 Hrs., and I transported Lilly to the Elbert County Jail.

Warrant service:

At approximately 0454 Hrs. Investigator Torres, Sergeant Whitlock, Deputy Figueroa and I executed a search warrant of the residence. The following evidence was retrieved.

- The communist manifesto- By Karl Marx and Friedrich Engels

Leather bound book with metal clasp:

Written inside: "Ways I want to die" with a list stating murder, burning alive, freezing, and drowning.

Leather bound book with a strap:

This was the book that I believe we were looking for prior that Lilly was speaking about. The following statements were found inside the book.

In short, a brief of the manifestos contents detailed:

- A list of firearms and how to 3D print them
- Detailed lists of numerous named individuals to be killed and their indented casualty versus injury rate.
- Information detailing the creation of improvised explosive devices.
- The Finalization of locations being Timberview Middle School, Prairie Hills Elementary, and Pine Creek High School"

Based on the facts and circumstances uncovered during this investigation I believe their exists probable cause for the above listed charges to include Attempted Murder in the First Degree

Yes  No Additional pages and/or reports attached with this probable cause statement form are incorporated into the above statement.
