7:09:33 PM	NOBLE LEAD 581632416	 <i>Yeah, let's do this from the ground tomorrow while I'm in D.C. The problem that I have is, we're only going to be talking about certain aspects of it, but, um, I'm getting so many conflicting issues with, like, stages, locations, and times that, um, that I don't know where to put people. I do know that we gotta be out, uh, very early.</i>
7:09:39 PM	Johnny Blackbeard 759787552	Brian James buddy Marvin?
7:10:44 PM	Johnny Blackbeard 759787552	 <i>Well, I mean, the main operating theater should be out in front of the House of Representatives. It should be out in front of the Capitol building. That's where the vote is taking place, and all the objections. So we can ignore the rest of these stages and all that shit, and plan the operations base around the front entrance to the Capitol building. Um, I strongly recommend you use the national mall and not Pennsylvania Avenue, though. It's a wide open space, you can see everything coming from all angles.</i>
7:11:05 PM	Johnny Blackbeard 759787552	 <i>At this point with the, the signals coming out of D.C. Metro, I'd be worried about them grabbing a Proud Boy or something like that from a fucking side street or, you know, who knows at this point, they just can't be trusted.</i>
7:14:21 PM	Captain Trump 454128414	Is @NobleLead still doing a speech? Where is that? These are things that are holding up my thought process for the moment. Other than that the captial is a good start
