

**IN THE CIRCUIT COURT OF THE 9TH JUDICIAL CIRCUIT
IN AND FOR ORANGE COUNTY, FLORIDA
CIRCUIT CIVIL DIVISION**

**CENTRAL FLORIDA TOURISM OVERSIGHT
DISTRICT,**

Plaintiff,

v.

CASE NO.:

**WALT DISNEY PARKS AND RESORTS
U.S., INC.,**

Defendant.

COMPLAINT FOR DECLARATORY AND INJUNCTIVE RELIEF

Plaintiff Central Florida Tourism Oversight District (the “District”) alleges in support of its Complaint for Declaratory and Injunctive Relief as follows:

Introduction

1. For 55 years, Walt Disney Parks & Resorts U.S., Inc. (“Disney”), its predecessors, and its affiliates, ran their own private government on 25,000 acres in Central Florida. Within its fiefdom, Disney wrote the laws that governed itself, chose whether and how to enforce those laws against itself, and set its own tax rate. No other Florida business, large or small, enjoyed those benefits.

2. There is no question that much good came from the special status that the Florida Legislature granted Disney in 1967. But over time Disney used its influence to obtain what must have seemed like permanent exemptions from the democratic checks and balances that apply to all other Florida businesses. For example, like other businesses in Florida, Disney is subject to building and fire codes that are supposed to protect the lives and safety of its employees and guests. But unlike other businesses in Florida, Disney did not have to worry that these safety

rules would be enforced against it. That is because the Disney-controlled District board never adopted any mechanism for the enforcement of those codes.

3. Earlier this year, however, the Florida Legislature took steps to restore the people's sovereignty and established an independent Board to govern the District. In an effort to stymie Florida's elected representatives, Disney covertly cobbled together a series of eleventh-hour deals with its soon-to-be-replaced puppet government. Disney hoped to tie the hands of the new, independent Board and to preserve Disney's special status as its own government in the District for at least the next thirty years. These agreements reek of a backroom deal—drafted by Disney with the acquiescence a lawyer who represented both Disney and the District, set for hearing without proper notice, and hustled through a compliant Disney-controlled Board that Disney knew would not dwell long on the issue. But perhaps out of haste or arrogance, Disney's deals violate basic principles of Florida constitutional, statutory, and common law. As a result, they are null and void—not even worth the paper they were printed on.

4. The new Board has already taken action to bring accountability, transparency, and normalized, even-handed administration to the government Disney used to run. It has adopted rules governing Board conduct, hired an outside financial advisor to ensure financial transparency, and retained new, independent outside general counsel who are experienced in local government law and who, unlike the District's former general counsel, are not also Disney's lawyers. The new Board has authorized the drafting of fire and building code enforcement provisions—one of the most basic safety protocols that the prior, Disney-controlled Board never bothered to require. And the new Board also has authorized the hiring of an urban planner to make recommendations to the Florida Legislature about strategies to make the District more prosperous for those who live and work in and near it.

5. When the new Board took office, it expressed to Disney its desire to work together to achieve a win-win solution that would protect Disney's economic investment in the District while at the same time usher in a new era of accountability, transparency, and cooperation with the District's other occupants and neighbors. Disney would have none of that. Instead, despite the obvious deficiencies in the one-sided deals Disney drafted for its former Board members to rubber stamp, Disney continues to insist that they are valid and enforceable against the District. The District therefore seeks a judicial declaration regarding their invalidity.

Parties, Jurisdiction and Venue

6. Plaintiff Central Florida Tourism Oversight District is a special district established by the Florida Legislature in 1967 pursuant to H.B. 486, Chapter 67-764. The District exercises local government authority, as authorized by the Florida Legislature, over approximately 25,000 acres of land located in Orange and Osceola Counties. Prior to February 27, 2023, the District was known as the Reedy Creek Improvement District ("RCID"). For ease of reference, this Complaint generally uses the term "RCID" when discussing actions taken by the District prior to February 27, 2023, the date governance of the District was statutorily transferred to the new board—including the adoption and execution of the development agreement and declaration of restrictive covenants at the heart of this action for declaratory relief.

7. Defendant Walt Disney Parks & Resorts U.S., Inc. ("Disney") is a Florida corporation with its principal place of business in Orange County, Florida. Disney owns and operates the Walt Disney World Resort located within the District's boundaries.

8. This Court has jurisdiction over Disney because it is a Florida corporation with its principal place of business in Florida and is engaged in substantial and not isolated activity with

the State of Florida. This Court also has jurisdiction over Disney because the causes of action for declaratory relief in this Complaint arise out of Disney operating, conducting, engaging in, or carrying out a business in Florida.

9. The Court has jurisdiction over the subject matter of this action because the amount in controversy exceeds \$50,000, exclusive of interest, court costs, and attorneys' fees, and because, pursuant to chapter 86, Florida Statutes, this Court has jurisdiction to declare rights, status, and other legal or equitable relations.

10. Venue is proper because Disney has an office for transaction of its customary business in Orange County, Florida, the cause of action accrued in Orange County, Florida, and property subject to the development agreement and declaration of restrictive covenants is located in Orange County, Florida.

Factual Allegations

A. Disney's Control Over the Reedy Creek Improvement District

11. In 1967, the Florida Legislature created the Reedy Creek Improvement District pursuant to H.B. 486, Chapter 67-764. The Walt Disney Company owned the majority of land within the boundaries of the RCID, and the Florida Legislature hoped that creating the RCID would assist the Walt Disney Company in its plans to develop this area of Central Florida.

12. Those plans not only included a theme park along the lines of Disneyland in California, but also the construction of a planned community that Walt Disney called the "Experimental Prototype Community of Tomorrow." The Magic Kingdom theme park opened in 1971 and has been a financial success for Disney. Walt Disney's planned community within the RCID, however, never materialized, although Disney later coopted its name for its EPCOT theme park within the RCID.

13. On its face, the RCID appeared similar to other special districts periodically established by the Florida Legislature. Like other special districts, the RCID was authorized to exercise many of the traditional powers of local government, such as regulation of zoning and development matters, capital improvements, building code enforcement, and fire and safety matters. The Legislature also gave the RCID the power to levy ad valorem taxes.

14. The RCID was governed by a five-member Board of Supervisors, whose only qualification for office was that they own at least one acre of land within the RCID. Election to the Board of Supervisors required a majority vote of the RCID's electors, who had to own at least one acre of land within the RCID and who cast one vote for every acre owned.

15. But behind this democratic façade, Disney's rule was absolute. No individual owned one or more acres of property within the RCID, which meant that no one could qualify to sit on the RCID's Board of Supervisors. Indeed, Disney sought to limit residents in the District altogether, turning EPCOT into a theme park instead of a residential community and de-annexing the town of Celebration so the town's inhabitants could not dilute Disney's control. In order to constitute the Board, Disney would identify a suitable individual, deed him or her a parcel of land within the RCID on a temporary basis, and then nominate that individual for election to the Board. Because Disney owned almost all of the land within the RCID, Disney's chosen candidate won election to the Board every time. Of course, Disney's gift to its hand-picked Board members came with strings attached. On information and belief, Disney retained the ability to force a Board member to return the deeded land—and thus vacate their seat on the Board of Governors—at any time. And when a Board member left his or her seat voluntarily, they were similarly obligated to transfer the deeded land back to Disney. Under this governance

system, Disney controlled who got elected to the Board and could remove any member at any time for any reason.

16. Through its control over the RCID, Disney operated its own government within the RCID, establishing its own zoning and development laws and regulations, deciding how and when to enforce the building and fire safety codes against itself, and even controlling law enforcement's access to its property. It was, in short, both the governed and the government. No other private business in the State of Florida enjoyed the advantages Disney had through its control of the RCID.

B. The Florida Legislature Brings Public Accountability to the District and Brings Disney to Parity With Other Florida Businesses.

17. Initially, the deal struck between Florida's elected representatives and Disney was mutually beneficial. Disney clearly benefited from it, and so did Orange and Osceola Counties, whose tax bases in the 1960s were lackluster. But over time, Disney exercised its outsized political influence to extract additional exceptions and exemptions from the rules that applied to all other Florida businesses. What began as an interesting and innovative experiment in privatization devolved into a depressing example of crony capitalism: Disney used its special status to arrogate to itself an unprecedented authority to decide what the rules would be and whether they'd be enforced against Disney, setting Disney apart from every other business in the State as a law unto itself.

18. Florida's elected representatives decided that it was time to reform the RCID and to put Disney on the same footing as every other Florida business. On April 22, 2022, Senate Bill 4-C became effective and thereby required the dissolution of the RCID on June 1, 2023. Disney, like all of the other successful tourism venues in the area, would be subject, at least in part, to regulation by Orange and Osceola Counties.

19. The Florida Legislature ultimately decided to reform, rather than abolish, the RCID. On February 6, 2023, HB 9B was filed in the Florida Legislature. It passed the Legislature on February 10, 2023, and became law on February 27, 2023. HB 9B amended the special act that had established the RCID in 1967. Among other things, HB 9B reformed the RCID's governance structure. Membership on the Board of Supervisors would no longer be based on land ownership within the District and thereby controlled by Disney. Instead, the members of the Board of Supervisors are nominated by the Governor and confirmed by the Florida Senate. Signaling a further break from the past, HB 9B also changed the District's name from the "Reedy Creek Improvement District" to the "Central Florida Tourism Oversight District."

C. Disney Gets the RCID to Rubber Stamp Illegal Agreements to Perpetuate Its Reign Over the District.

20. In response to these various legislative reforms, Disney engaged in a concerted effort to perpetuate its stranglehold over the District, using its control over the RCID and the two municipalities that exist within the boundaries of the District: the City of Lake Buena Vista and the City of Bay Lake. In the same way that the RCID was a "company district," Lake Buena Vista and Bay Lake are "company towns." Disney selects who can live in the mobile home communities located on Disney's property in each municipality, and thereby controls who can stand for election to the respective city councils. Disney's 11th-hour rush to insulate itself from the authority of the new Board, however, produced agreements that are riddled with procedural and substantive flaws.

21. Earlier, in November 2018, the RCID, Lake Buena Vista, and Bay Lake held first readings on proposed amendments to their joint comprehensive plan, which established development guidelines for development projects within the District's boundaries. In May 2022,

after passage of Senate Bill 4-C, the RCID, Lake Buena Vista, and Bay Lake purported to hold second readings on their proposed amendments. But the amendments considered at the second readings were significantly different from the amendments considered during the first readings in 2018. Among other things, they purported to change the permitted uses within the RCID's boundaries, significantly increase the permitted densities and intensities of development within the RCID's boundaries, and call for construction of significant public facilities projects financed by issuance of new general obligation bonds. Despite these significant differences, the three Disney-controlled local governments purported to adopt these new amendments in May 2022.

22. Then, on February 8, 2023, two days after the filing of HB 9 signaled that Disney's absolute rule over the District would soon come to an end, Disney quietly contrived with its puppet Board to extend Disney's governmental powers by contract. The RCID approved and adopted a 30-year, Disney-designed development agreement (the "Development Agreement") and a declaration of restrictive covenants (the "Restrictive Covenants") between itself and Disney. In their haste to seek to insulate Disney from meaningful government regulation, Disney and the RCID failed to comply with basic statutory notice requirements. And the RCID lacked authority to enter into *any* development agreement because it had not enacted an ordinance governing the process for doing so, as is required by Florida law. Copies of the Development Agreement and the Restrictive Covenants are attached to the Complaint as Exhibits 1 and 2, respectively. Neither the Development Agreement nor the Restrictive Covenants were previously presented to RCID planning staff for their input or consideration.

23. Both the Development Agreement and the Restrictive Covenants purport to assign to Disney much of the District's governmental authority. For example, the Development Agreement mandates, on a prospective basis, development within the District's boundaries at the

maximum levels, including the maximum densities and intensities, that are described in the amendments to the joint comprehensive plan purportedly adopted in 2022. Moreover, the Development Agreement gives all the development rights within the District's boundaries to Disney, which, pursuant to the Development Agreement, now owns and controls such development rights. Thus, any other property owner who proposes development within the District that would require the use of these development rights must first obtain prior written approval for the proposed development from Disney, and it is left to Disney's discretion whether or not to assign any development rights to other property owners in the District. Under the terms of Development Agreement, the height of any building constructed by any property owner within the District is controlled by and must be approved by Disney. And under the Development Agreement, the District is now required to issue new general obligation bonds financed by ad valorem taxes collected from all of the District's taxpayers in order to fund infrastructure projects.

24. Similarly, under the Restrictive Covenants, Disney restricts the District to using its own property solely for those uses existing on February 8, 2023, or as contemplated by the amendments to the joint comprehensive plan purportedly adopted in May 2022. The Restrictive Covenants allow Disney to censor the District's speech on its own property. And the Restrictive Covenants prohibit the District from altering its own property without Disney's review and consent.

D. The District Responds to Disney's Illegal Agreements.

25. The Development Agreement and Restrictive Covenants are riddled with procedural and substantive defects. They not only violate the plain and unambiguous statutory mandates governing the RCID's adoption of these agreements, but they also violate well settled

principles of Florida constitutional and common law. Each of these defects separately renders the Development Agreement and the Restrictive Covenants null and void.

26. After presentation from its outside counsel, the District's Board of Supervisors adopted legislative findings regarding the various defects in the Development Agreement and Restrictive Covenants. In its findings, the District concludes that the Development Agreement and the Restrictive Covenants are void *ab initio*.

E. The Need for Declaratory Relief Pursuant to Chapter 86, Florida Statutes.

27. Disney continues to assert that the agreements are valid and enforceable, including filing a lawsuit based on claims purportedly arising under federal law that seeks to revive and assert rights under the Development Agreement and the Restrictive Covenants.

28. Based on the facts alleged above, there is a bona fide, actual, present, practical need for a declaration that the Declaration Agreement and Restrictive Covenants are void, unenforceable, and/or invalid.

29. The declaration sought deals with a present, ascertained, or ascertainable state of facts or a present controversy as to a state of facts.

30. An immunity, power, privilege, or right of the District, namely the District's ability to conduct its affairs and to govern free from the illegal obligations and restraints imposed upon it by the Development Agreement and Restrictive Covenants, stands to be affected by the actions of Disney.

31. Disney has engaged in acts demonstrating an actual, present, adverse, and antagonistic interest in the subject matter, either in fact or law, by asserting the validity of the agreements. Indeed, Disney has already taken actions impacting the District's rights by filing a lawsuit seeking to revive and claim rights under the void agreements.

32. Disney's actions have created insecurity and uncertainty with respect to the District's rights, status, and other equitable and legal relations.

33. The antagonistic and adverse legal interests of the parties are all before the court by proper process and warrant a declaratory judgment.

34. The relief sought in this Complaint is neither merely advisory nor the answer to questions propounded from curiosity. Indeed, the Florida Land Development Agreement Act, which governs the Development Agreement, provides that any party to a development agreement can seek injunctive relief to challenge compliance of a development agreement with any of the Act's requirements. § 163.3243, Fla. Stat.

Count I
Failure to Provide Notice of Public Hearing

35. Paragraphs 1-34 are incorporated herein by reference.

36. The Development Agreement was entered into pursuant to and is subject to the provisions of the Florida Local Government Development Agreement Act, §§ 163.3220-163.3243, Fla. Stat.

37. The Florida Local Government Development Agreement Act contains an express, mandatory notice provision, which provides in relevant part:

Public hearings.

(1) Before entering into, amending, or revoking a development agreement, a local government shall conduct at least two public hearings. At the option of the governing body, one of the public hearings may be held by the local planning agency.

(2)(a) Notice of intent to consider a development agreement shall be advertised approximately 7 days before each public hearing in a newspaper of general circulation and readership in the county where the local government is located. ***Notice of intent to consider a development agreement shall also be mailed to all affected property owners before the first public hearing.*** The day, time, and place at which the second public hearing will be held shall be announced at the first public hearing.

§ 163.3225, Fla. Stat. (emphasis supplied).

38. Disney is not the sole property owner in the District. In addition to land owned by District itself, other property owners within the District include private entities not affiliated with Disney and governmental entities.

39. The Development Agreement affects these other property owners.

40. Prior to entering into this Development Agreement, the RCID held two public hearings. The first hearing was held on January 25, 2023, during a Board of Supervisors meeting. Approximately six minutes of the Board's time was devoted to the first hearing on the Development Agreement. The second hearing was held on February 8, 2023, during a Board of Supervisors meeting. Approximately one minute of the Board's time was devoted to this second hearing on the Development Agreement, after which the Board approved the agreement.

41. Prior to the January 25 and February 8 Board meetings, the RCID published notices of intent to consider a development agreement in the *Orlando Sentinel*. The notices were published on January 18 and 27, respectively. The *Orlando Sentinel* is a newspaper of general circulation and readership in both Orange and Osceola Counties. Such notices published in the newspaper did not fully inform the public or other property owners of the purposes or contents of the Development Agreement and how other property owners and the taxpayers of the District were affected by such proposed agreement.

42. Prior to the January 25 and February 8 Board meetings, the RCID did not post a copy of its agenda packages on its website. The RCID did not upload agenda packages for the January 25 and February 8, 2023, meetings onto its website until early March 2023 after the new Board of Supervisors appointed by the Governor took office. Copies of the proposed Development Agreement and Restrictive Covenants were not posted on the RCID's website in advance of the January 25 and February 8 Board meetings.

43. Prior to the January 25 meeting, the RCID did not mail notice of intent to consider a development agreement to all property owners affected by the Development Agreement.

44. The failure to mail a notice of intent before the January 25 meeting violated the mandatory notice requirements of § 163.3225(2)(a).

45. The RCID approved and adopted the Restrictive Covenants as depending on the Development Agreement.

46. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) because the Restrictive Covenants depend upon the Development Agreement, the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count II

Ultra Vires Act in Violation of § 163.3223, Florida Statutes

47. Paragraphs 1 – 34 are incorporated herein by reference.

48. In 1986, the Florida Legislature empowered local governments to enter bilateral development agreements by passing the Local Government Development Agreement Act, §§ 163.3220-163.3243, Fla. Stat.

49. This Act provides that “[a]ny local government may, *by ordinance*, establish procedures and requirements ... to consider and enter into a development agreement.” § 163.3223, Fla. Stat. (emphasis added).

50. Absent the enactment of such an ordinance, a local government is not authorized to enter a development agreement. *See* § 163.3220(4) (legislative finding that legislative intent to improve development planning process “is effected by authorizing local governments to enter into development agreements with developers, subject to the procedures and requirements of ss.”

163.3220-163.3243.”). Indeed, such statutorily mandated procedures and requirements are necessary to avoid precisely what happened here: a board of yes men and women approving a consequential deal with no established process or deliberation.

51. The RCID failed to satisfy this condition precedent before entering the Development Agreement. The RCID did not pass any law or adopt any regulations to “establish procedures and requirements ... to consider and enter into a development agreement,” as § 163.3223 requires.

52. Because the RCID did not pass the statutorily-mandated enabling rules and procedures, the RCID lacked authority to enter the Development Agreement. The RCID’s approval and adoption of the Development Agreement was an *ultra vires* act.

53. The RCID approved and adopted the Restrictive Covenants as depending on the Development Agreement.

54. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) because the Restrictive Covenants depend upon the Development Agreement, the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count III

District Lacked Authority and Jurisdiction to Enter into Development Agreement

55. Paragraphs 1 – 34 are incorporated herein by reference.

56. Under the terms of the Development Agreement, any local government laws and policies governing development that were in effect on the Development Agreement’s effective date (February 8, 2023), govern development under the Development Agreement for the duration of the Development Agreement.

57. Prior to February 27, 2023, Bay Lake and Lake Buena Vista had exclusive authority over comprehensive planning, land development regulations, development orders, and building permitting within their municipal boundaries, while the RCID had exclusive authority over those matters for lands in the RCID outside the municipal boundaries. Thus, as of the Development Agreement's effective date, the RCID had no authority or jurisdiction to approve or regulate development-related activities on property located within the municipalities' boundaries, including, but not limited to, issuing development orders, building permits, or enforcing the joint comprehensive plan and the RCID's land development regulations.

58. The Development Agreement applies to property that is located inside the boundaries of Bay Lake and Lake Buena Vista and to property that is located outside those municipalities' boundaries.

59. The only signatories to the Development Agreement are the RCID and Disney. Bay Lake and Lake Buena Vista did not sign the Development Agreement, and the RCID did not purport to sign the agreement on behalf of either municipality. Bay Lake and Lake Buena Vista did not conduct public hearings on or approve the Development Agreement.

60. Under the Development Agreement, the District assigns to Disney all of the development rights within the District, regardless of whether such rights, at the time the Development Agreement was executed, were held or regulated by Bay Lake or Lake Buena Vista. In addition, under the Development Agreement, all proposed development, whether within or outside the municipalities' boundaries, will be subject to the RCID's land development regulations, including reviewing and approving development applications, issuing development orders and building permits, and enforcing other aspects of its land development regulations.

61. Because the RCID had no authority or jurisdiction on February 8, 2023, to approve or regulate this activity and because Bay Lake and Lake Buena Vista did not conduct public hearings on, approve, or join as parties to the Development Agreement, the RCID lacked the authority and jurisdiction to enter into the Development Agreement. The RCID's approval and adoption of the Development Agreement was an *ultra vires* act.

62. The RCID approved and adopted the Restrictive Covenants as depending on the Development Agreement.

63. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) because the Restrictive Covenants depend upon the Development Agreement, the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count IV

Violation of Article VII, Section 12 of the Florida Constitution

64. Paragraphs 1 – 34 are incorporated by reference herein.

65. The Development Agreement requires the District to levy and collect ad valorem taxes from the District's taxpayers in order to finance new general obligation bonds to fund certain road and utility capital improvement projects.

66. The Development Agreement constitutes a general obligation debt of the District for capital improvement projects exceeding a twelve-month period.

67. Article VII, section 12 of the Florida Constitution provides that the District:

may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(a) to finance or refinance capital projects authorized by law and only when approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation; or

(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

68. The RCID did not comply with article VII, section 12 of the Florida Constitution when it approved and adopted the Development Agreement because it was not also “approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation.” The Development Agreement is therefore unconstitutional.

69. The RCID approved and adopted the Restrictive Covenants as depending on the Development Agreement.

70. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) because the Restrictive Covenants depend upon the Development Agreement, the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count V

Failures to Comply with §166.041 and § 163.321, Florida Statutes

71. Paragraphs 1 – 34 are incorporated by reference herein.

72. Prior to February 27, 2023, Bay Lake and Lake Buena Vista had exclusive authority over comprehensive planning, land development regulations, and development order and building permit authority within their municipal boundaries, while the RCID had exclusive authority over those matters for lands within the RCID outside the municipal boundaries. Thus, establishing uniform guidelines and regulations for development within the entirety of the RCID’s boundaries required all three local governments – the RCID, Bay Lake, and Lake Buena Vista – to adopt a joint comprehensive plan and identical land development regulations.

73. In or around 1991, the RCID, Bay Lake, and Lake Buena Vista adopted a joint comprehensive plan, which was amended from time to time.

74. On November 14, 2018, Bay Lake, Lake Buena Vista, and the RCID each conducted a first reading and public hearing on their respective resolutions/ordinances to adopt amendments to their joint comprehensive plan. The hearings were held at 8:30, 9:00, and 9:30 a.m. respectively.

75. Attached to each proposed resolution/ordinance was an Exhibit A that set out the text of the proposed amendments. The proposed amendments primarily addressed the deannexation of approximately 100 acres of land within the RCID's boundaries, as well as certain amendments that were required because of changes in the Florida Administrative Code.

76. The proposed amendments that were the subject of the first public hearings did not revise the densities or intensities of the existing joint comprehensive plan nor did they include a capital improvements program.

77. Three-and-one-half years later, on May 22, 2022, at 9:30 a.m., the RCID conducted its second reading and public hearing on its proposed resolution/ordinance to adopt amendments to the joint comprehensive plan.

78. Unlike the first reading and hearing, the RCID's proposed resolution/ordinance did not attach an Exhibit A nor otherwise set out the text of the proposed amendment. The RCID adopted the resolution/ordinance, and thereby the purported proposed amendments to the joint comprehensive plan, at that hearing.

79. On May 24, 2022, at 8:30 and 9:00 a.m. respectively, Bay Lake and Lake Buena Vista conducted their second readings and public hearings on their proposed ordinances to adopt amendments to the joint comprehensive plan. Like the RCID, the municipalities' proposed

ordinances did not attach an Exhibit A nor otherwise set out the text of the proposed amendments. Each municipality adopted its respective ordinance, and thereby the purported proposed amendments to the joint comprehensive plan, at those hearings.

80. The purported proposed amendments to the joint comprehensive plan adopted by the District, Bay Lake, and Lake Buena Vista after their respective second reading and public hearings substantially and materially differ from and serve a new purpose than the proposed amendments that had been set out in full in the exhibits attached to the resolutions/ordinances considered at the first reading and public hearings in November 2018. For example, the amendments that were purportedly approved at the second public hearings substantially increased the allowed densities and intensities and changed the uses permitted within the RCID and the municipalities. Additionally, the amendments that were purportedly approved at the second public hearings include a significant capital improvement program. None of these provisions were included in the text of the amendments noticed and approved at the first public hearings in 2018. Nor had the text of these provisions been set out in the resolutions/ordinances considered at the second readings and public hearings.

81. After the purported adoption of the ordinances/resolutions relating to amendments to the joint comprehensive plan in 2022, the RCID, Bay Lake, and Lake Buena Vista adopted, via resolution/ordinance, amendments to their land development regulations.

82. The RCID held its public hearings on December 14, 2022, and January 25, 2023, at 9:30 a.m. Bay Lake held its public hearings on January 11, 2023, and February 8, 2023, at 8:30 a.m. Lake Buena Vista held its public hearings on January 11, 2023, and February 8, 2023, at 9:00 a.m.

83. Neither Bay Lake nor Lake Buena Vista set out, whether by way of exhibit to or in the body of the ordinance, the language of the proposed amendments to their land development regulations.

84. Bay Lake and Lake Buena had not adopted their ordinances concerning the amendments to their land development regulations prior to the RCID's first public hearing on the Development Agreement.

85. In advance of their January 25, 2023, and February 8, 2023, meetings, Bay Lake and Lake Buena Vista did not publish advertisements in the newspaper giving any notice of their intent to conduct a public hearing(s) on or adopt ordinances to amend their land development regulations.

86. The land development regulations purportedly adopted by the District, Bay Lake and Lake Buena Vista in January and February of 2023, changed the list of uses permitted and increased densities and intensities of uses.

87. When enacting ordinances or resolutions, municipalities like Bay Lake and Lake Buena Vista must comply with the provisions of § 166.041, Fla. Stat. That statute provides in relevant part: "No ordinance shall be revised or amended by reference to its title only. Ordinances to revise or amend shall set out in full the revised or amended act or section or subsection or paragraph of a section or subsection." § 166.041(2), Fla. Stat.

88. Section 166.041(3)(c), Florida Statutes, requires a particular type of newspaper advertisement to be published for proposed ordinances that change the actual list of permitted, conditional, or prohibited uses or change a zoning map. All other proposed ordinances of municipalities must be advertised for a public hearing pursuant to the minimum requirements of Section 166.041(3)(a), Florida Statutes.

89. At the time that the RCID adopted its resolutions/ordinances regarding the amendments to the joint comprehensive plan and land development regulations, the RCID was also subject to the same statutory notice requirements that applied to the municipalities.

90. Because the adopted amendments to the joint comprehensive plan and land development regulations changed intensities, densities, and uses of land within the RCID and the municipalities and modified the future land use map, they qualified as changes in the “list of permitted, conditional, or prohibited uses within a zoning category” or changes in the “zoning map designation of a parcel or parcels of land involving 10 contiguous acres or more.” The RCID and the municipalities thus were required to hold at least one of the public hearings after 5 p.m. § 166.041(3)(c)1.a., Fla. Stat., which did not happen.

91. With respect to the comprehensive plan amendments purportedly adopted in May 2022, the RCID, Bay Lake, and Lake Buena Vista adopted these resolutions/ordinances illegally and in violation of § 166.041, Fla. Stat., and Florida law, and they are void, unenforceable, and/or invalid because:

(a) the RCID, Bay Lake, and Lake Buena Vista failed to set out in full the amendments to the joint comprehensive plan that were adopted at the second public hearings;

(b) the RCID, Bay Lake, and Lake Buena Vista failed to hold at least one public hearing on the amendments to the joint comprehensive plan after 5 p.m.;

(c) the RCID, Bay Lake, and Lake Buena Vista failed to start anew and have two advertised readings and public hearings on the materially and substantially modified comprehensive plan amendment that had a different purpose than the original purpose of the EAR-based comprehensive plan amendments considered and approved by each in November 2018.

92. With respect to the land development regulation amendments purportedly adopted in January 2023 by the RCID via ordinance/resolution, such ordinance/resolution is void, unenforceable, and/or invalid because:

(a) the official executed ordinance/resolution failed to set out in full the amendments to the RCID's land development regulations that were adopted;

(b) the RCID failed to hold at least one public hearing on the amendments to its land development regulations after 5 p.m.;

(c) the RCID had no authority to adopt land development regulations inconsistent with the joint comprehensive plan in effect at the time the ordinance/resolution was passed; and

(d) the RCID had no authority to adopt land development regulations within the jurisdictional limits of Lake Buena Vista and Bay Lake, and such cities failed to properly adopt land development regulation amendments in tandem with the RCID's proposed land development regulations.

93. With respect to the land development regulations amendments purportedly adopted in February 2023 by Bay Lake and Lake Buena Vista, the ordinances adopting those regulations are void, unenforceable, and/or invalid because:

(a) Bay Lake and Lake Buena Vista failed to set out in full the amendments to their land development regulations that were adopted at their February 8, 2023, Council meetings;

(b) Bay Lake, and Lake Buena Vista failed to hold at least one public hearing on the amendments to their land development regulations after 5 p.m.;

(c) Bay Lake and Lake Buena Vista failed to advertise these ordinances prior as required by Section 166.041, Florida Statutes.

(d) these land development regulation amendments are not consistent with the joint comprehensive plan in effect at the time the ordinances were passed.

94. Each of these is a separate violation of the mandatory requirements of § 166.041, Fla. Stat.

95. Each of the violations of § 166.041, Fla. Stat., renders the amendments to the joint comprehensive plan and the land development regulations void, unenforceable, and/or invalid.

96. Because the amendments to the joint comprehensive plan purportedly adopted in 2022 are void, the prior version of the joint comprehensive plan remains in effect pursuant to § 163.3197, Fla. Stat.

97. Because the land development regulations purportedly adopted in January and February 2023 by the RCID, Buena Vista, and Bay Lake are void, the prior versions of their respective land development regulations remain in effect.

98. The Florida Local Development Agreement Act provides that a development agreement “shall be consistent with the local government’s comprehensive plan and land development regulations.” § 163.3231, Fla. Stat.

99. The maximum development program identified in Table 1, the densities and intensities identified in Table 2, and the capital improvement element identified in Exhibit 3 of the Development Agreement are inconsistent with the joint comprehensive plan and land development regulations currently in effect.

100. Because the Development Agreement violates the consistency mandate of § 163.3231, Fla. Stat., it is void, unenforceable, and/or invalid.

101. Additionally, even if the 2022 amendments to the joint comprehensive plan were effective, the Development Agreement converts the joint comprehensive plan into a mandate and

removes the District's statutory ability, and in some cases its statutory obligation, to evaluate and amend the joint comprehensive plan.

102. Shackling the District in this way violates the consistency mandate of § 163.3231, Fla. Stat., and renders the Development Agreement void, unenforceable, and/or invalid.

103. The RCID approved and adopted the Restrictive Covenants as depending on the Development Agreement.

104. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid; and (2) because the Restrictive Covenants depend upon the Development Agreement, the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count VI
Unlawful Delegation of Governmental Authority to Private Entity

105. Paragraphs 1 – 34 are incorporated herein by reference.

106. Florida law prohibits a local government from contracting away its discretionary legislative power.

107. The Development Agreement contracts away the District's discretionary legislative power in multiple ways.

108. The Development Agreement provides that it shall prevail if there is any conflict between itself and the joint comprehensive plan or the District's land development regulations. That provision elevates a private contractual agreement above the binding legislative acts of the RCID and is therefore invalid and unenforceable. Additionally, it violates the statutory mandate that any development agreement must be "consistent with the local government's comprehensive plan and land development regulations." § 163.3227(1)(g), Fla. Stat.

109. The Development Agreement also gives Disney the authority to set maximum building heights throughout the District and assigns “all of the development rights and entitlements” in the District to Disney. The Florida Legislature, however, explicitly empowered the District to perform these functions.

110. The Development Agreement obligates the District to “fund[], design[] and construct[]” public facilities to accommodate Disney’s future growth, but without allowing for periodic reassessment of currently planned projects, including as encouraged or required by law. *See Fla. Stat. § 163.3191* (requiring local government to “evaluate its comprehensive plan to determine if plan amendments are necessary to reflect changes in state requirements” “[a]t least once every 7 years,” and “encourag[ing]” local governments “to comprehensively evaluate and, as necessary, update comprehensive plans to reflect changes in local conditions”). This is an additional way in which the Development Agreement invalidly delegates governmental authority to a private entity.

111. Each of these delegations of governmental power by the RCID to a private entity is unlawful.

112. The Development Agreement is unenforceable because of its multiple unlawful delegations of governmental power to Disney.

113. Because the Restrictive Covenants depend on the Development Agreement by their own terms, the Restrictive Covenants are also void, unenforceable, and/or invalid.

114. The Restrictive Covenants are also independently void because, like the Development Agreement, the Restrictive Covenants unlawfully delegate governmental authority to Disney in several ways.

115. Section 2.1 of the Restrictive Covenants restrict the District to using its property solely for those uses existing on February 8, 2023, or as contemplated by the amendments to the joint comprehensive plan purportedly adopted in May 2022.

116. Section 2.2 effectively enables Disney to censor the District, banning the District from speech on its own property about anything other than the District.

117. Section 3 prohibits the District from altering its own property without Disney's review and consent.

118. Each of these delegations of governmental power by the RCID to a private entity is unlawful.

119. The Restrictive Covenants are therefore independently unenforceable because of their multiple unlawful delegations of governmental power to Disney.

120. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count VII
Void as Against Public Policy

121. Paragraphs 1 – 34 are incorporated herein by reference.

122. Agreements that contravene the Legislature's intent are void as against public policy.

123. The Florida Legislature established the policies that govern the District through House Bill ("H.B.") 9-B, codified at ch. 2023-5, Laws of Fla.

124. Among other things, this law replaces the District's prior landowner-elected board with a Board appointed by the Governor, subject to Senate confirmation, and subject to limitations

that ensure members' independence from any "theme park or entertainment complex." H.B. 9-B § 4(2)(c).

125. The law also maintains the District's authority to adopt planning, zoning, and other regulations while explicitly providing that any regulations "relating to safety, health, sanitation, or building safety shall prescribe standards at least equivalent to the minimum standards in applicable statewide regulations" such as the Florida Building Code and Florida Fire Prevention Code. *Id.* §§ 23(4)(b), (10). In short, H.B. 9-B provides public oversight for the District and ensures that the same laws apply in the District as apply throughout the State of Florida.

126. Although H.B. 9-B was still under legislative consideration on February 8, 2023, when the Development Agreement and Restrictive Covenants were approved and adopted by the RCID, the public policies that the law advances—public oversight and accountability—preexist this particular law. Indeed, H.B. 9-B came in the wake of Senate Bill ("S.B.") 4-C, codified at ch. 2022-266, Laws of Fla., which had abolished any special district established by special act before the ratification of the Florida Constitution in 1968 and not reestablished afterwards. Moreover, H.B. 9-B has now been enacted and thus constitutes the public policy against which any attempted enforcement of the Development Agreement would be judged.

127. The Development Agreement contravenes H.B. 9-B in multiple ways.

128. In contravention of the District's authority to "[r]egulate, restrict, and determine the ... height ... of buildings," H.B. 9-B § 23(9)(a), and of the District's explicit obligation to do so according to the standards of the Florida Building Code, *see id.* §§ 23(4)(b), (10), the Development Agreement gives Disney exclusive control over building heights in the covered property, which are otherwise controlled only by "the Federal Aviation Administration (FAA) height standards."

129. In contravention of the District’s authority to “[r]egulate, restrict, and determine ... the density of population” and “the percentage and portion of lots and land that may be occupied or built on,” H.B. 9-B § 23(9)(a); *see also id.* § 23(7)(a), the Development Agreement grants to Disney—and to the exclusion of other District landowners—all development rights and entitlements in the District.

130. Under the Development Agreement, Disney may also obligate the District to construct public facilities (*e.g.*, roads), and even to purchase from Disney any lands that Disney owns and that are needed for such facilities. The Development Agreement restricts the District from reassessing the relative costs and benefits of any such facilities, in contravention not only of the District’s authority over the construction of roads and other public facilities, *see* H.B. 9-B § 8, but also of statutes encouraging or requiring such reassessment, *see* Fla. Stat. §§ 163.3191, .3177(3)(b).

131. The Legislature enacted H.B. 9-B to create a Board that would exercise meaningful public authority over the District, including over land development. But the Development Agreement removes that authority by exempting a large swath of land from District regulation and transferring zoning authority over that land to a single private developer. The Development Agreement thereby contravenes H.B. 9-B. It is therefore void as against public policy and unenforceable.

132. Because the Restrictive Covenants depend on the existence of the Development Agreement, they are void as against public policy along with the Development Agreement.

133. The Restrictive Covenants are also independently void as against public policy.

134. Like the Development Agreement, the Restrictive Covenants contravene the authorities granted to the District by H.B. 9-B, and the public policy embodied by that law, in several ways.

135. Section 2.1 of the Restrictive Covenants restrict the District to using its property solely for those uses existing on February 8, 2023, or as contemplated by the amendments to the joint comprehensive plan purportedly adopted in May 2022.

136. Section 2.2 effectively enables Disney to censor the District, banning the District from speech on its own property about anything other than the District.

137. Section 3 prohibits the District from altering its own property without Disney's review and consent.

138. Accordingly, the Restrictive Covenants are unenforceable as well.

139. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count VIII
Void as Unconscionable

140. Paragraphs 1 – 34 are incorporated herein by reference.

141. A contract contrary to a strong public policy against a particular practice is unconscionable and unenforceable.

142. Because the Development Agreement and the Restrictive Covenants each violate the public policies embodied in H.B. 9-B, they are also unconscionable and therefore unenforceable.

143. Independent of H.B. 9-B, however, the Development Agreement is both procedurally and substantively unconscionable.

144. Indicators of procedural unconscionability include evidence of self-dealing and a lack of independent counsel for both parties.

145. Under the prior manner of electing Board members, where each District landowner was allowed one vote per acre of land owned in the District, Disney's ownership of almost all such land ensured its absolute control over Board membership. Based upon information and belief, in at least some cases, Disney transferred parcels of land to members of the RCID's Board members for minimal consideration in order to satisfy the prior requirement that all Board members be District landowners. Based on information and belief, Disney retained the right to demand the return of this land from a Board member and thereby the right to remove any Board member who did not acquiesce to Disney's demands from the District. This pattern of self-dealing resulted in the substantively one-sided provisions of the Development Agreement discussed herein.

146. The District lacked independent counsel when entering the Development Agreement. The District's general counsel at that time also represented Disney in real estate and other matters at the time of his engagement in 2019, and his communications with Disney's counsel relating to the Development Agreement indicate a desire to maintain business with Disney.

147. Communications between the District's general counsel and Disney's counsel also indicate that Disney drafted the Development Agreement but attempted to obscure this fact by naming the District's general counsel as the drafter.

148. These communications further show that Disney's counsel edited the text of the agenda item for the RCID's January 25, 2023, meeting during which the RCID held its first hearing on the Development Agreement.

149. This evidence reflects a procedurally unconscionable attempt by Disney to arrogate authority to itself on the eve of H.B. 9-B's enactment.

150. Substantive unconscionability focuses on whether the terms of the contract itself are unreasonably favorable to the other party. Indicators of substantive unconscionability include the length of the benefit conferred on a party, and the gross disparity in the values exchanged. That last factor may be sufficient by itself for a finding of unconscionability.

151. The benefits of the Development Agreement are entirely one-sided. The Development Agreement entitles Disney to the exclusive use of future development rights in the District, delegates District zoning powers to Disney, allows Disney to obligate the District to construct private facilities in aid of Disney's development projects, and allows Disney to obligate the District's ad valorem taxing authority in order to construct those development projects.

152. The District receives nothing in return. The only theoretical benefit to the District in the text of the Development Agreement is that, when Disney obligates the District to construct public facilities that require land that Disney owns, Disney will not "request payment for the land in excess of fair market value."

153. This purported benefit is illusory because the District has the power of eminent domain, meaning that it may take private property for public use and for just compensation. Because payment of fair market value by the District meets the just-compensation requirement when the District exercises its power of eminent domain, the Development Agreement does not provide the District any rights beyond what the District already has and would have in the normal course.

154. These one-sided benefits are long-term. The Development Agreement lasts for 30 years, the maximum amount of time permitted under the Florida Local Development Agreement

Act. This length of time extends for twenty years beyond the joint comprehensive plan purportedly adopted in May 2022 and was entered just before the Florida Legislature passed H.B. 9-B to increase public oversight for the District through a newly appointed Board. In this context, the Development Agreement's duration exacerbates the substantive unconscionability of its one-sided terms.

155. Because the Development Agreement is both procedurally and substantively unconscionable, it is void, unenforceable, and/or invalid.

156. Because the Restrictive Covenants depend on the existence of the Development Agreement, they are void as unconscionable along with the Development Agreement.

157. The Restrictive Covenants are also independently unconscionable.

158. The Restrictive Covenants are the product of the same self-dealing and absence of independent counsel, and thus bear the same indicia of procedural unconscionability, as the Development Agreement.

159. Drafting records also show that, as with the Development Agreement, Disney's counsel initially drafted the Restrictive Covenants but attempted to obscure that fact by listing the District's general counsel as the drafter.

160. As with the Development Agreement, the benefits of the Restrictive Covenants are entirely one-sided. Disney receives the authority to limit the District's use of and speech on the District's own property, while the District receives no consideration in return. Just as these provisions violate public policy, they are substantively unconscionable.

161. Accordingly, the Restrictive Covenants are likewise procedurally and substantively unconscionable, void, and unenforceable.

162. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Count IX
Lack of Consideration

163. Paragraphs 1 – 34 are incorporated herein by reference.

164. All contracts require consideration.

165. Consideration must be something more than what a party was already legally obliged to do.

166. The only purported consideration that Disney provided through the Development Agreement was its agreement to demand no more than fair market value for Disney-owned lands that the District might need for any public-facilities projects that Disney may obligate the District to undertake pursuant to the Development Agreement. But the District already had the power to take private lands for public projects and to pay only fair market value for those lands.

167. Because the Development Agreement lacks valid consideration, it is void, unenforceable, and/or invalid.

168. Because the Restrictive Covenants depend on the existence of the Development Agreement, they are void on this ground along with the Development Agreement.

169. The Restrictive Covenants also independently lack consideration.

170. The Restrictive Covenants constitute a distinct agreement, yet they do not even purport to have their own consideration. Rather, they simply refer to “the commitments made by [Disney] and its Affiliates under the Development Agreement.”

171. Because those commitments did not constitute valid consideration for the Development Agreement, the Restrictive Covenants likewise lack valid consideration.

172. Moreover, the Development Agreement had not been executed or approved at the time that the former Board voted to approve the Restrictive Covenants. A non-existent agreement could not constitute consideration for the Restrictive Covenants.

173. Even if there were valid consideration for the Development Agreement, the Restrictive Covenants do not even purport to provide any additional, independent consideration to the District.

174. Because the Restrictive Covenants lack valid consideration, they are therefore void, unenforceable, and/or invalid.

175. The District is entitled to a declaration that: (1) the Development Agreement is void, unenforceable, and/or invalid, and (2) the Restrictive Covenants are void, unenforceable, and/or invalid. The District is further entitled to an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants.

Prayer for Relief

The District respectfully requests that this Court grant the following relief:

- A. Declare that the Development Agreement is void, unenforceable, and/or invalid;
- B. Declare that the Restrictive Covenants are void, unenforceable, and/or invalid;
- C. Issue an order enjoining Disney from enforcing the Development Agreement and the Restrictive Covenants; and
- D. Grant such other relief that this Court may deem just and proper.

**WALT DISNEY WORLD
CHAPTER 163 DEVELOPMENT AGREEMENT**

This Development Agreement (this “**Agreement**”) is made this 8th day of February, 2023, by and between **Walt Disney Parks and Resorts U.S., Inc.**, a Florida corporation, on behalf of itself and its affiliated and subsidiary entities (hereinafter referred to as “**Master Developer**”), whose mailing address is 1375 Buena Vista Drive, Lake Buena Vista, Florida 32830, and **Reedy Creek Improvement District**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is 1900 Hotel Plaza Blvd., Lake Buena Vista, Florida 32830 (hereinafter referred to as “**RCID**”). RCID and Master Developer may sometimes be referred to collectively herein as the “**Parties**”.

WITNESSETH

WHEREAS, in 1967 the Florida Legislature created the Reedy Creek Improvement District (RCID) in order to create a governmental structure as stated in the RCID Charter with the governmental powers, and for the objectives and purposes, stated in the RCID Charter; and

WHEREAS, since 1967 RCID has served as the governing agency to approve long-term plans within its jurisdictional boundary including comprehensive plans and land development regulations, and has approved development applications and issued building permits in accordance with the above; and

WHEREAS, the Board of Supervisors of RCID has the power and authority to administer the comprehensive plan and supporting land development regulations in respect to all lands located within the jurisdictional boundary of RCID (hereinafter referred to as the “**RCID Jurisdictional Lands**”); and

WHEREAS, this Agreement governs a portion of the RCID Jurisdictional Lands (hereinafter referred to as the “**Property**”) as defined by a legal description attached as **EXHIBIT 1** and a location map attached as **EXHIBIT 2**; and

WHEREAS, Master Developer owns, either directly or through one or more subsidiary entities, the vast majority of the Property, although, in the future, portions of the Property or any other land that Master Developer may acquire within the RCID Jurisdictional Lands, may be transferred or leased to another entity or subdivided and sold or expanded; and

WHEREAS, Master Developer has developed portions of the Property into the *Walt Disney World*® Resort (“**Walt Disney World**”), a world renowned resort with multiple theme parks, entertainment venues, resort hotels, commercial and other land uses along with monorails and transit service to support Walt Disney World, and plans to continue to develop Walt Disney World onto additional portions of the Property (Walt Disney World as further developed and expanded hereinafter referred to as the “**Project**”); and

WHEREAS, RCID also owns land comprising a portion of the Property which may be developed as part of the Project in the future; and

WHEREAS, RCID has adopted a comprehensive plan (hereinafter referred to as the “**Comprehensive Plan**”) that has been reviewed and approved by the State Land Planning Agency, as required by Chapter 163, Florida Statutes; and

WHEREAS, RCID has adopted land development regulations (“**RCID LDRs**”), as required by Chapter 163, Florida Statutes; and

WHEREAS, as required by State growth management law, in June 2022 the Comprehensive Plan was amended and updated to extend the planning timeframe through 2032 and to adopt updates to the future land use map and maximum development program within the RCID Jurisdictional Lands for the timeframe 2022-2032; and

WHEREAS, this Agreement is needed to establish and vest in Master Developer certain development rights and entitlements for the Project that Master Developer will be able to rely on for the life of this Agreement; and

WHEREAS, Sections 163.3220-163.3243, Florida Statutes (the “**Florida Local Government Development Agreement Act**”), authorize local governments and developers to enter into certain types of development agreements, with an initial duration of up to thirty (30) years, to provide certainty to both parties in terms of current and future processes and entitlements; and

WHEREAS, development agreements pursuant to the Florida Local Government Development Agreement Act are a common tool for developers and local governments in the State of Florida, especially with respect to long-term, multi-phase projects like Walt Disney World; and

WHEREAS, in accordance with Section 163.3229 of the Florida Local Government Development Agreement Act, the Parties have agreed on a period of thirty (30) years to allow development on the Property of the maximum development program as defined below in **TABLE 1** (hereinafter referred to as the “**Maximum Development Program**”); and

NOW, THEREFORE, in consideration of the mutual terms, covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, it is mutually agreed as follows:

I. PURPOSE AND AUTHORITY

(A) **Recitals**. The recitals set forth above are true and correct and are incorporated into this Agreement by reference.

(B) Purpose. The purpose of this Agreement is three-fold:

1) It will provide a binding written agreement between the Parties for the long-term development of the Property and Project in order to vest the Maximum Development Program and to provide certainty to Master Developer; and

2) It will stipulate the provision of necessary public facilities by RCID that will be in place concurrent with the demand of the Maximum Development Program as it is constructed; and

3) It will provide clarification for how the Comprehensive Plan and RCID LDRs will apply to the Project, both now and in the future.

(C) Authority for Agreement. This Agreement is entered into pursuant to the authority of the Florida Local Government Development Agreement Act, which consists of Sections 163.3220-163.3243, Florida Statutes. The authority under those sections is supplemental and additional to the powers conferred upon local governments by other laws and it encourages sound capital improvement planning and financing and a commitment to long-term comprehensive planning.

II. APPROVED LAND USE AND DEVELOPMENT RIGHTS

(A) Land Use and Project Entitlements. The RCID Jurisdictional Lands consist of land uses as set forth in and consistent with the Future Land Use Map (defined below) and are approved for the Maximum Development Program identified in **TABLE 1** below. The densities and intensities of the Project are identified and described in **TABLE 2** below.

(B) Maximum Building Heights. Building heights are to be controlled and approved by Master Developer in order to protect the immersive nature and aesthetic character of the theme parks and attractions either currently existing or to be built on the Property. Absent specific Master Developer approval, the maximum building heights on the Property are controlled by the Federal Aviation Administration (FAA) height standards and any waiver or variance from said standards as approved by the FAA.

(C) Provision of Necessary Public Facilities. In order to facilitate the implementation of and provide adequate levels of service for the Maximum Development Program, certain public infrastructure systems will require new facilities and/or expansions of existing facilities (hereinafter referred to as the "**Public Facilities**"). The Public Facilities are listed in the Capital Improvement Element of the Comprehensive Plan a copy of which is attached hereto and incorporated herein as **EXHIBIT 3**, and will be funded, designed and constructed or caused to be constructed by RCID. Any land required for the Public Facilities that is owned by Master Developer shall be dedicated to RCID, or other public entity, as required. Compensation for said land dedication shall be negotiated between parties at the time of transfer but in no event shall Master Developer request payment for the land in excess of fair market value as determined by a Member of the Appraisal Institute (MAI) real estate appraiser, jointly selected by the Parties.

Table 2 depicts the existing density of development in RCID. As the supply of undeveloped land becomes smaller, new development is projected to occur at somewhat higher densities or on somewhat smaller sites. Infill development within existing activity areas will also tend to increase the overall density of developed areas. While there will be exceptions to this assumption, the overall trend is expected to be towards more dense development.

(D) Master Development Program Changes and Master Developer Rights.

1) The allowed land uses within the RCID Jurisdictional Lands are determined by the Future Land Use Map in the Comprehensive Plan (the “**Future Land Use Map**”) and Chapter 2-20 of the RCID LDRs.

2) Master Developer is the master developer for the Project. The Parties agree that all of the development rights and entitlements, including, without limitation, those applicable to all additional approved development through 2032, as established by the Master Development Program identified in **TABLE 1** (collectively, the “**Master Development Rights and Entitlements**”) are vested in Master Developer and that Master Developer owns and controls such Master Development Rights and Entitlements. Master Developer may assign portions of the Master Development Rights and Entitlements to other landowners and/or ground lessees within the RCID Jurisdictional Lands. Any proposed development that utilizes any of the Master Development Rights and Entitlements requires the prior written approval of Master Developer. Master Developer shall be responsible for maintaining an accounting of the Master Development Rights and Entitlements that have been used and the Master Development Rights and Entitlements that are unused and available for use.

(E) Environmental Long Term Permits Mitigation Credits. In order to facilitate environmentally protective and sustainable development, the Parties previously collaborated in the procurement of federal and state level environmental permits entitling RCID Jurisdictional Lands and RCID’s extra-jurisdictional boundaries (EJB) with unique and beneficial development rights and privileges (collectively referred to as the “**Long Term Permits**”)¹. Specifically, Master Developer sought and received, all at Master Developer’s cost but benefiting the entire RCID Jurisdictional Lands, approvals from U.S. Fish and Wildlife Service and Florida Fish and Wildlife Conservation Commission governing the protection and relocation of threatened and endangered species and requisite mitigation for same. Master Developer similarly pursued and received approval of a comprehensive and forward-looking federal dredge and fill entitlement framework through the U.S. Army Corps of Engineers and U.S. Environmental Protection Agency, creating a site-specific wetland credit mitigation bank via the acquisition, restoration and perpetual management of what is now known as Disney’s Wilderness Preserve and Mira Lago. Master Developer and RCID collaboratively pursued approvals from South Florida Water Management District (SFWMD) for a MSSW (Management and Storage of Surface Waters) and ultimately an ERP Conceptual Permit entitling the RCID Jurisdictional Lands and EJB. The SFWMD Permit (as defined in footnote 1) utilizes the same mitigation credit bank referenced above, as developed and managed by Master Developer. The mitigation credits obtained and maintained through the Long Term Permits are collectively referred to herein as the “**LTP Mitigation Credits**”.

¹ The Long Term Permits specifically include, without limitation, the following: South Florida Water Management District (SFWMD) Permit: #48-00714-S, dated September 10, 1992 (the “**SFWMD Permit**”); Army Corps of Engineers Permit: #199101901 (IP-GS), dated December 21, 1992; and State of Florida Game and Fresh Water Fish Commission Permit No. OSC-4, dated November 12, 1992, Permit No. OSC-SSC-1, dated July 19, 1994 and Permit No. OSC-TSR-1, dated August 9, 1994, issued under the authority of the Wildlife Code of the State of Florida (Chapter 39, Florida Administrative Code).

1) Given the above, the Parties agree that the LTP Mitigation Credits, including, without limitation, those LTP Mitigation Credits created through South Florida Water Management District Environmental Resource Permits Nos. 48-00714-S and 48-00714-S-22 are vested in Master Developer and that Master Developer is solely entitled to utilize the same. No other entity may use the LTP Mitigation Credits without prior written authorization from Master Developer. RCID shall request and must receive written approval from Master Developer to allow for the use of any threatened or endangered species mitigation and/or any use of wetland impacts or LTP Mitigation Credits prior to filing any application for modifications of said permits that seek to impact wetlands affected by these Long Term Permits. As and when Master Developer seeks to use any of the LTP Mitigation Credits, RCID shall promptly cooperate as necessary to allow Master Developer's use of the LTP Mitigation Credits consistent with the Master Development Program, including, without limitation, executing and submitting the appropriate permit applications and any other necessary documentation to allow for such use of LTP Mitigation Credits. RCID shall neither prohibit nor impede the use of the LTP Mitigation Credits by Master Developer for development in accordance with the Maximum Development Plan nor require any additional mitigation.

III. DEVELOPMENT REVIEW, UTILITIES AND REQUIRED PERMITS

(A) Development Review. Any proposed development utilizing the Maximum Development Program (see **TABLE 1**) must follow the development review and approval process as defined in the RCID LDRs.

(B) Public Facilities. Public Facilities that serve the Project, including, but not limited to, potable water, sanitary sewer, and solid waste management, are provided by RCID. Public Facilities will be addressed consistent with **EXHIBIT 3** for the Public Facilities identified in such Exhibit.

(C) Development Permits Required. Attached as **EXHIBIT 4** is a list of local development permits required to develop the Property and the Project. The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve Master Developer of the necessity of complying, and Master Developer agrees to comply, with the laws, ordinances and regulations governing said permitting requirements, conditions, term or restrictions.

IV. GOVERNING LAWS AND POLICIES. This Agreement establishes the standards that apply to the Property and the Project and if there is any conflict between the Agreement and the Comprehensive Plan or RCID LDRs this Agreement shall prevail. Furthermore, for Comprehensive Plan goals, objectives and policies and RCID LDRs not in conflict with this Agreement, the version of the Comprehensive Plan, RCID LDRs and other local government laws and policies governing the development of the Property in effect at the time of execution of this Agreement shall govern the development of the Property and the Project for the duration of this Agreement. RCID may apply subsequently adopted laws and policies to the development subject to this Agreement, only if RCID has followed the procedures set forth in Chapter 163.3233, Florida Statutes.

V. MORATORIA. No moratorium, ordinance, resolution or other land development regulation or limitation on the rate, timing or sequencing of the development of the Project shall

apply to or govern the development of the Project in accordance with the Master Development Program during the term hereof, whether affecting building permits, occupancy permits, or other entitlements to be issued by RCID. In the event of any such action, Master Developer shall continue to be entitled to apply for and receive development approvals in accordance with the RCID LDRs and other local government laws and policies governing the development of the Property and the Project in effect at the time of execution of this Agreement and the terms of this Agreement.

VI. COMPREHENSIVE PLAN. Pursuant to the terms and conditions of this Agreement, RCID finds that the Project, as proposed in this Agreement, is consistent with the Comprehensive Plan and RCID LDRs. Master Developer agrees that any development proposals utilizing development rights from this Agreement will be reviewed for consistency with the Comprehensive Plan and RCID LDRs in effect at the time of this Agreement unless amended per Section IV.

VII. NO LIEN OR ENCUMBRANCE. Nothing herein shall be construed as creating a lien or other encumbrance on or with respect to title to the Property (or any portion thereof).

VIII. DURATION. The duration of this Agreement shall be thirty (30) years from its effective date but may be extended by mutual consent of RCID and Master Developer and subject to a public hearing pursuant to Chapter 163.3229, Florida Statutes, or through extensions filed pursuant to Chapter 252.363, Florida Statutes.

IX. BINDING EFFECT. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors and assigns of each party.

X. GOVERNING LAW. This Agreement, and the rights and obligations of the Parties hereunder, shall be governed by, construed under and enforced in accordance with the laws of the State of Florida. Preparation of this Agreement has been a joint effort of the Parties and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against a party to the Agreement.

XI. SEVERABILITY. If any provision of this Agreement, or the application thereof to any person or circumstances, shall to any extent be held invalid or unenforceable by a court (or other government body) of competent jurisdiction, then the remainder of this Agreement shall be valid and enforceable to the fullest extent permitted by law. Any provision(s) held wholly or partly invalid or unenforceable shall be deemed amended, and the court or other government body is authorized to reform the provision(s) to the minimum extent necessary to render them valid and enforceable in conformity with the Parties' intent as manifested herein.

XII. MODIFICATION OR CANCELLATION. Modification or cancellation of all or any portion of this Agreement without either the express written consent of Master Developer or in accordance with Section 163.3235, Florida Statutes, shall be considered per se a modification or cancellation of the allowable uses and entitlements to Master Developer's legal and equitable interest in the Property.

XIII. EXHIBITS. Unless otherwise provided in this Agreement, all exhibits are incorporated herein by reference.

XIV. CAPTIONS FOR PARAGRAPH HEADINGS. Captions and paragraph headings

contained in this Agreement are for convenience and reference only, and in no way define, describe, extend or limit the scope or intent of this Agreement, nor the intent of any provision hereof.

XV. COUNTERPARTS. This Agreement may be executed in several counterparts, each constituting a duplicate original, but all such counterparts constituting one and the same instrument.

XVI. ASSIGNABILITY. This Agreement may be wholly or partially assigned by Master Developer to one or more third parties.

XVII. EFFECTIVE DATE. This Agreement is effective on the date that a fully-executed copy is filed in the Official Records of the Orange County Comptroller and the Official Records of the Osceola County Comptroller.

XVIII. TERMINATION. This Agreement shall terminate in thirty (30) years from its effective date, unless extended which includes, without limitation, extensions filed pursuant to Section 252.363, Florida Statutes, or may be terminated by mutual consent of the Parties.

XIX. AMENDMENTS. This Agreement may be amended by mutual consent of the Parties or by their successors in interest so long as amendments meet the requirements of Section 163.3237, Florida Statutes. All amendments to this Agreement will be adopted as an amended and restated version and when an amendment goes into effect then all prior versions of this Agreement shall be null and void.

XX. NO THIRD PARTY CONSENT REQUIRED. No one other than the Parties or their successors in interest may seek an amendment to this Agreement and no consent of any other parties shall be required.

XXI. EFFECT ON EXISTING DEVELOPMENT. Nothing in this Agreement terminates, rescinds, cancels, or modifies allowable uses or entitlements vested with any other property owners subject to the jurisdiction of RCID.

XXII. FURTHER ASSURANCES. Each of the Parties hereto agrees to do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, all such further acts and assurances as shall be reasonably requested by the other party in order to carry out the intent of this Agreement and give effect thereto. Without in any manner limiting the specific rights and obligations set forth in this Agreement, the Parties hereby declare their intention to cooperate with each other in effecting the terms of this Agreement, and to coordinate the performance of their respective obligations under the terms of this Agreement.

There shall be no other beneficiaries of such

provisions. Only WDPR and WDPR's Affiliates and each of their respective successors and assigns, by virtue of their ownership of any portion of the WDPR Properties, shall have the continuing right to enforce this Declaration and the provisions, covenants, conditions, and restrictions set forth in this Declaration. This Declaration cannot be modified, amended, terminated or canceled without the express written consent of WDPR. WDPR (or its Affiliate, as applicable) may, at its sole option, elect to terminate the benefit of this Declaration as it applies to any WDPR Property.

6.2. **Enforcement.** If RCID shall violate or breach (or attempt to violate or breach) any of the provisions, covenants, conditions, restrictions and/or obligations set forth in this Declaration, and such breach or violation is not cured within thirty (30) days after receipt of written notice (or if such breach requires more than thirty (30) days to cure such longer time as reasonably necessary to complete such cure so long as RCID commences the cure of such default within such thirty (30) day period in good faith and thereafter diligently prosecutes all measures necessary or appropriate to cure such default not to exceed one hundred eighty (180) days in the aggregate), then WDPR (and/or its Affiliate(s) or Designee, as applicable) shall be entitled to any of the following remedies, which remedies may be elected without excluding any other available remedies: (i) institute and prosecute proceedings for the recovery of actual damages against RCID for such violation or breach; (ii) institute and prosecute proceedings for the purpose of preventing or enjoining any or all such violations or attempted violations or breaches or attempted breaches of the provisions, covenants, conditions, restrictions and/or obligations set forth in this Declaration; and/or (iii) bring a suit for specific performance of the same. Except as otherwise provided in this Declaration, such remedies shall be cumulative of and with any and all other remedies expressly provided in this Declaration or which otherwise may now or hereafter be available at law or in equity, separately, concurrently or in any combination. The failure of WDPR (or its Affiliate(s) or Designee, as applicable) to enforce any of the provisions, covenants, conditions, easements, restrictions, and/or obligations set forth in this Declaration, however long continued, shall in no event be deemed to be or constitute a waiver of the right to thereafter enforce the same as to any continuing or subsequent violation or breach or attempted violation or breach of the same provision, covenant, condition, easement, restriction and/or obligation, whether occurring prior or subsequent thereto. Anything contained in this Declaration to the contrary notwithstanding, WDPR (and/or its Affiliate(s) or Designee, as applicable) may enforce this Declaration and the terms, provisions, covenants and conditions herein by injunctive relief, and, in addition, may seek damages and all other rights and remedies available to WDPR (and/or its Affiliate(s) or Designee, as applicable), at law or in equity.

7. **TERM; ASSIGNMENT BY WDPR.**

7.1. **Term.** This Declaration shall be deemed effective as of the Effective Date and continue to be effective in perpetuity unless all or certain portions of the provisions of this Declaration are expressly terminated as provided elsewhere herein; provided, however, that if the perpetual term of this Declaration is deemed to violate the "Rule Against Perpetuities," or any similar law or rule, this Declaration shall continue in effect until twenty one (21) years after the death of the last survivor of the descendants of King Charles III, King of England living as of the date of this Declaration. Notwithstanding the foregoing or anything to the contrary herein, this Declaration will terminate as of the date that none of WDPR or any of its Affiliates (or their respective successor entities) owns any real property within ten (10) miles of the RCID Properties.

7.2. **Termination of Declaration Upon Transfer to WDPR or its Affiliates or Designee.** Upon the vesting of title to any of the RCID Properties or portion thereof in WDPR (or its Affiliates or their respective Designee, as applicable) this Declaration and all the terms and conditions contained herein shall terminate and be of no further force or effect as to such RCID Property or portion thereof without the need for any further documentation or amendment to this Declaration. If WDPR (or its Affiliates or their respective Designee, as applicable) shall ever become a Tenant of a RCID Property, then this Declaration shall be of no force or effect as to the activities by such Tenant or the use of the respective RCID Property by such Tenant for the duration that such entity remains a Tenant, all without the need for any further documentation or amendment to this Declaration.

7.3. **Assignment by WDPR.** WDPR has the right to assign all of its rights to, under and in this Declaration to any Affiliates of WDPR or to any Designee. WDPR shall promptly notify RCID, in writing, of any such assignment and the instrument by which such assignment is made.

8. **MISCELLANEOUS.**

8.1. **Rights Cumulative.** Except as is expressly provided herein, all rights, remedies, powers and privileges conferred by and under this Declaration shall be cumulative of and in addition to, but not restrictive of or in lieu of, those conferred at law or in equity.

8.2. **Notices.**

8.2.1. Each notice or communication under this Declaration shall be deemed delivered and received if in writing and either: (i) personally delivered; (ii) delivered by reliable overnight air courier service; or (iii) deposited with the United States Postal Service or any official successor thereto, certified or registered mail, return receipt requested, with adequate postage prepaid, delivered or addressed to the entity entitled or required to receive the same, WDPR or RCID, as appropriate. Rejection or other refusal by the addressee to accept the notice, and inability to deliver the notice because of a change of address of the party of which no notice was given, shall be deemed to be the receipt of the notice on the third day following the date postmarked by the United States Postal Service or on the second day following the date accepted by the courier service.

8.2.2. The addresses of the parties to which notices are to initially be sent pursuant to this Declaration are as follows:

Any entity may designate a different address or recipient for receiving notices by written notice to the other entities to receive notice, such notice to be given in accordance with this Section.

8.3. **Entire Declaration.** This Declaration may only be modified by a written instrument executed by WDPR. Notwithstanding the foregoing or anything to the contrary herein, RCID may unilaterally amend or terminate this Declaration at such time as no real property within ten (10) miles of the RCID Properties is owned by WDPR or any of its Affiliates.

8.4. **Severability.** If any clause or provision of this Declaration is illegal, invalid or unenforceable under applicable present or future Laws, the remainder of this Declaration shall not be affected and shall continue in full force and effect. In lieu of each clause or provision of this Declaration which is illegal, invalid or unenforceable, there shall be added as a part of this Declaration a clause or provision as nearly identical as may be possible and as may be legal, valid and enforceable.

8.5. **Governing Law.** This Declaration shall be governed by, construed under and interpreted and enforced in accordance with the laws of the State of Florida, and, where applicable, the laws of the United States of America.

8.6. **Headings.** The use of headings, captions and numbers in this Declaration is solely for the convenience of identifying and indexing the various sections and shall in no event be considered in construing or interpreting any provision in this Declaration.

8.7. **Use of Pronouns, Words and Phrases.** Use of pronouns, words and phrases which are used in the singular in this Declaration shall include the plural and vice versa, and nouns and

pronouns in this Declaration which are used in any particular gender shall be deemed to include any other gender.

8.8. **Consent or Approval of WDPR.** In all instances where WDPR's reasonable consent or approval is required under this Declaration, or in any instance where common law or equity would require WDPR to act reasonably or to not unreasonably withhold its approval or consent, WDPR shall be entitled to take into account, in determining whether or not to grant or withhold approval or consent, the proximity of the RCID Properties to the WALT DISNEY WORLD® Resort and WDPR and WDPR's Affiliates' concerns that the RCID Properties comply with this Declaration and the provisions, covenants, conditions, restrictions and obligations contained herein. Except where expressly stated herein to the contrary, in all instances where WDPR's consent or approval is required hereby, or where WDPR is entitled to use its discretion, WDPR shall be entitled to grant or withhold such consent or approval, and to exercise its discretion, in WDPR's sole and absolute discretion.

8.9. **Interpretation.** If any provision, covenant, condition, restriction or obligation set forth in this Declaration is capable of two (2) interpretations, one (1) of which would render the provision, covenant, condition, restriction or obligation illegal, invalid or unenforceable and the other of which would render the provision, condition, restriction or obligation legal, valid and enforceable, then the provision, covenant, condition, restriction or obligation shall have the meaning which shall render it legal, valid and enforceable. No inference shall be drawn from the addition, deletion or modification of any language contained in any prior draft of this Declaration.

8.10. **FORUM AND VENUE FOR LEGAL PROCEEDINGS/WAIVER OF JURY TRIAL.** ANY LEGAL PROCEEDING OF ANY NATURE BROUGHT TO ENFORCE ANY RIGHT OR OBLIGATION UNDER THIS DECLARATION, OR TO INTERPRET, CONSTRUE OR SEEK ANY DECLARATION WITH RESPECT TO ANY RIGHTS, REMEDIES OR RESPONSIBILITIES HEREUNDER, OR OTHERWISE ARISING OUT OF OR IN CONNECTION WITH ANY MATTER PERTAINING TO THIS DECLARATION, SHALL BE SUBMITTED EXCLUSIVELY FOR TRIAL, WITHOUT A JURY, BEFORE THE CIRCUIT COURT FOR ORANGE COUNTY, FLORIDA; OR IF SUCH COURT SHALL NOT HAVE JURISDICTION, THEN EXCLUSIVELY BEFORE ANY OTHER COURT SITTING IN ORANGE COUNTY, FLORIDA HAVING SUBJECT MATTER JURISDICTION. RCID HEREBY CONSENTS AND SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY SUCH COURT AND AGREES TO ACCEPT SERVICE OF PROCESS IN ANY MATTER TO BE SUBMITTED TO ANY SUCH COURT PURSUANT HERETO, AND EXPRESSLY WAIVES ALL RIGHTS TO TRIAL BY JURY REGARDING ANY SUCH MATTER.

8.11. **Time of the Essence.** Time shall be of the essence with respect to all of the provisions of this Declaration.

8.12. **Recording of this Declaration.** This Declaration shall not be recorded by RCID in the Public Records of the county in which the RCID Properties are located without the written approval of WDPR. WDPR, at its sole cost and expense, shall have the option to record this Declaration in the Public Records of the county in which the RCID Properties are located without the prior consent or approval of RCID.
