

NOTICE OF ELECTION CONTEST

Submitted May 4, 2023

MAY 4 23 12:31PM

As concerned citizens and registered voters, we hereby contest the certification of the April 4, 2023 Municipality of Anchorage (MOA) General Election results. We submit this contest due to the disenfranchisement of 36,143 registered voters (15% of registered voters) who were not mailed an “election announcement” postcard or ballot package. We question why these registered voters were disenfranchised. Who made this decision, what criteria was used and was an MOA contractor involved, in any way, to facilitate this decision-making process?

We base this contest on the following factual information:

- 1) The Municipality of Anchorage recognized that there were 235,564 eligible active registered voters for the April 4, 2023 municipal election.
- 2) On or about January 31, 2023 only 199,421 of these registered voters were mailed an “election announcement” postcard from the MOA. 36,143 registered voters were deprived of the notice of an upcoming election.
- 3) On or about March 14, 2023, the actual ballot packages were sent to 201,029 registered voters in the MOA. There is a discrepancy between those who received an “election announcement” postcard and those that received a ballot package.
- 4) 1,193 registered voters did not receive a ballot by mail for the 2023 MOA election but had successfully voted in the State of Alaska November 8, 2022 General Election.

In summary, 36,143 registered voters were disenfranchised from voting in the Municipality of Anchorage April 4, 2023 municipal election. It is unclear why or how this happened. This is a violation of municipal code, Alaska statute and the United States Constitution.
