Dear Chris Stanley:

This letter acknowledges receipt of your Freedom of Information Act (FOIA) request seeking records from the U.S. Consumer Product Safety Commission (CPSC), and it also assigns your FOIA request number.

Note: CPSC is processing all FOIA requests electronically during this time. FOIA requests and appeals submitted via US mail or courier, and any FOIA records requiring physical delivery will be delayed. Read important information here, <https://www.cpsc.gov/Office-of-the-Secretary/Directives/CPSC-Procedures-Concerning-COVID-19>

Additionally, due to certain procedural steps we are required to take under section 6(b)(1) of the Consumer Product Safety Act, 15 U.S.C. § 2055, there may be delays in providing the records requested. Specifically, section 6(b)(1) requires that before disclosing information that would enable the public to identify the manufacturer or private labeler of a consumer product, the CPSC, to the extent practicable, must notify and provide a summary of the information to each manufacturer or private labeler, and provide each manufacturer or private labeler a reasonable opportunity for comment in reference to the information. Please be assured that CPSC is making every effort to process each request as expeditiously as possible, and the records or information you requested will be made available to you at the earliest possible date.

If you have any questions concerning the status of your request, you may contact one of CPSC's Public FOIA Liaisons, Korinne Super (ksuper@cpsc.gov) or Cooper Gerus (cgerus@cpsc.gov) via email, or at 1-800-638-2772.
