On 5-4-2023 while on patrol Torrance County units were dispatched to Interstate 40 Mile Marker 224 in reference to a welfare check. Torrance County dispatch advised that they heard a female on the line screaming and then will not answer. Torrance County Dispatch also advised the female may be outside a vehicle as they hear vehicle traffic going by.

While en route to the area Torrance County Dispatch received a telephone call from a truck driver who was passing by the 221 mm and noticed a possible domestic between and male and female.

Upon arrival, I noticed a black jeep parked in the small rest area pullout. I noticed a male subject in a red sweater sitting on the ground just south of the jeep. I also noticed another male and female standing just west of the jeep. The male stated that he had called in. I asked the female what happened and she told the male to state what he saw.

The male was identified as Jordan Hamilton. Mr. Hamilton stated that as he was driving by when he noticed the female sitting on the ground with the male over her and he punched her in the face. I asked Mr. Hamilton to assist in taking the male in the red sweater into detention. The male was taken into custody and placed in the back of my patrol unit. I also noticed the male had blood coming from his mouth and nose area. Mr. Hamilton asked if he could leave and I advised him yes and thank him for his assistance.

I asked the female for her id and she opened the driver's door on the jeep and handed me her driver's license. I also noticed the driver seat was set in a position for a smaller person. The back of the seat was close to the steering wheel. The female was identified as Nikki Alcaraz. Ms. Alcaraz stated that they had dropped off a friend (name not given) in Amarillo TX. Ms. Alcaraz stated that they picked up a bottle of Fire Ball and they both started to drink. Ms. Alcaraz stated that she was not driving and was sitting in the passenger seat. Ms. Alcaraz stated that Thomas started to hit her for no reason. Ms. Alcaraz stated that when they got to this rest area she jumped out of the vehicle and Thomas caught her. Ms. Alcaraz stated that she wanted to press charges. Upon checking Ms. Alcaraz I was able to notice red marks on her face and finger Print marks on both arms. Ms. Alcaraz also stated that she had a bruise on her chest and her back.

I spoke with Mr. Steven Stratton who stated that they were traveling to California. Mr. Stratton stated that they both had been drinking) beer and Fireball) and that Nikki was driving. Mr. Stratton then stated that Nikki hit him in the mouth for no reason. Mr. Stratton stated that as they were traveling west on I-40 she continued to hit him. Mr. Stratton also stated that Nikki does blackouts after drinking liquor. Mr. Stratton stated that they stopped several miles back and Nikki was on the phone with the windows open. Mr. Stratton also stated that he did not want Nikki to go to jail.

Additional Sheriff Units arrived and medical units arrived on Scene. Torrance County Rescue checked by subjects and advised Mr. Stratton that he need to go in due to his blood pressure being high. Mr. Stratton stated that he did not want to go to the hospital.

Deputies spoke with both subjects again and neither one would admit to driving the vehicle and they were both intoxicated. Mr. Stratton and Ms. Alcaraz stated that they did not want to assist with any charges being filed. Both subjects were given a ride from the scene. Ms. Alcaraz was transported to Moriarty NM. Mr. Stratton will be dropped off in Edgewood NM.

Once Ms. Alcaraz was off the scene I photograph the vehicle. I noticed the driver's seat to have been pushed back to indicate a taller person was driving. I noticed numerous blood spatter on the passenger side door which would have come from Mr. Stratton since he was the only one with visible blood on his face. I also noticed blood on the running board. It was determined that both parties were mutual combatants while traveling down the interstate. The bruise on Ms. Alcaraz's arms came from Mr. Stratton holding her down to avoid being hit.

Flying C Towing arrived on the scene and removed Ms. Alcaraz vehicle's from the scene.

A copy of this report will be sent to DA's office for review.
