Case #: 10D011474

This court has recently ruled on this matter three different times 3/21, 7/18 and 9/25. Now, this matter is again before this court on Respondent's three RFO's. The three RFO's, filed on 8/6, 10/7, and 10/14, were all regarding Petitioner not returning the children after a visitation in Arizona. In all three matters, her ex-parte request to return the children to her forthwith were granted.

The court heard from father, Petitioner, who testified he still resides in Arizona but plans to move to California in the near future. The court also heard from Respondent, mother.

Clearly, the Petitioner is having a difficult time following the court orders, specifically in returning the children in a timely manner. He had no valid excuse for not returning the children. This has caused the Respondent lots of stress and expense in getting the children back from Arizona. Therefore, the court is ordering the following.

The court is striking its July 18, 2014 orders regarding father's visits in Arizona, all other orders therein remain in full force and effect. Starting forthwith, **all** of Petitioner's visits must occur in Orange County. He must provide written verification which hotel he is staying at prior to exercising any visits as per the March 21, 2014 order.

As per the March 21, order all communication between the parents shall be on www.OurFamilyWizard.com. Communication between the children and parents shall also be per the March 21 order.

Petitioner shall pay Respondent \$500, forthwith, as a contributive share for cost she incurred in getting the children returned to her.

Clerk to give notice.
