Dear FOIA Officer,

I am writing in response to your letter closing American Oversight's FOIA request filed on March 15, 2023, # J-23-0146. To clarify, this request is not a duplicate of J-21-0172.

Both requests seek the same types of records, but the earlier request sought records from **January 1, 2017** through the date of the search, while # J-23-0146 seeks records from the more recent date range of **February 27, 2022** through the date of the search. See both requests attached, for reference.

We therefore request that your office immediately re-open our request and provide all responsive records for the date range requested. I would also appreciate confirmation once the request has been re-opened.

Please feel free to contact me at the email address or phone number below with any questions or concerns.

Best,  
Mehreen Rasheed
