

ADAM SCHIFF FOR SENATE

Solender —

MAGA Republican Anna Paulina Luna of Florida **just announced on the House floor** that the vote to censure and fine me \$16 million will happen within the next ***two days*** with GOP Speaker Kevin McCarthy's personal support.

House to vote on measure censuring Adam Schiff

Andrew Solender

While the national media and political pundits focus their attention today on disgraced, twice-impeached ex-president Donald Trump's arraignment in downtown Miami on 37 federal counts returned by the grand jury, **MAGA Republicans are out for revenge against me personally.**

Solender, this vote to censure me — and even fine me \$16 MILLION — *could actually pass with a GOP majority.*

The authors of the Big Lie are attacking me for telling the truth, and it's blatant political retaliation for my efforts to hold Trump accountable for his abuses of power. For leading his first impeachment and Senate trial. For serving on the January 6th Committee to investigate the insurrection he incited on our Capitol. They believe I am effective — too effective — and so they're trying to silence me.

We have to send Trump's enablers in Congress a message loud and clear — **no matter what attacks they throw at us, we will *always* fight back to uphold the rule of law and defend our democracy.**

If you're with me, I'm urgently asking you to rush a contribution of \$10 or whatever you can spare before midnight to help my campaign fight back against these attacks.

If you've saved your payment information with ActBlue Express, your donation will go through immediately:

EXPRESS DONATE \$10	EXPRESS DONATE \$25
EXPRESS DONATE \$50	EXPRESS DONATE \$100
EXPRESS DONATE \$250	ANOTHER AMOUNT

This isn't just an attack on me. It's an attack on the very premise of constitutional oversight and accountability. And we have to fight back with everything we've got.

Thanks for standing with me at this critical moment.

— Adam
