Thanks, Jeff. I'm on a later call with OLCC, but I'm available at 1pm to be on the call if someone can send me the call in. I think OLCC was under the impression that they were going to talk with you first, and then us, but I'm happy to combine.

I've attached a copy of the PBJ article, which just came out. I'm very sorry you're getting personally dragged into this.

Best,
Jules

Hey Jules:

I have a call tomorrow at 1pm, are you on that? I would prefer to keep our conversations centralized if possible so, if not, perhaps we can merge.

On another note apparently Ms. Sturgeon is throwing my name out there to PBJ as having endorsed her plan, which is patently false. I'll be cutting off all communication to TMT and we're working on correcting the record with our comms.

Talk soon.

Jeff

Hi Jeff,

Here's the link to the KPTV report https://www.kptv.com/trimet-to-begin-shuttle-bus-for-bottle-return-to-help-ease-crowding-at-bottledrop/video_d9c39c55-0e4d-5e47-8045-1550301583ba.html

The reporter says she told them she did it based on guidance from the Governor's office, but that quote does not appear on camera.

I have a call with the OLCC tomorrow regarding next steps. Not sure if you will be on that, but thanks for your help in moving the ball forward and finding solutions. Very much appreciated.

Best,

Jules
