****THIS EMAIL BOX IS NOT MONITORED, PLEASE DO NOT REPLY TO THIS EMAIL.****

Mr. Wilson:

This email acknowledges receipt of your September 6, 2022, Freedom of Information Act (FOIA) (5 U.S.C. § 552) request received by the U.S. Department of State, Office of Information Programs and Services on September 6, 2022, regarding records and any other information related to a US Department of State investigation into US mining company Freeport McMoran Copper & Gold Inc (listed on the NYSE under ticker FCX) and its subsidiary Freeport Indonesia PT activities in West Papua, Indonesia in the period 1995 to 1998 when the State Department announced it was investigating the company following a series of eye witness allegations that people associated with the company had been involved with the killing of indigenous tribal people in or around its Grasberg mine site in West Papua (Date Range for Record Search: From 1/1/1993 To 12/31/1998). Unless you advise otherwise, we will treat as non-responsive any compilations of publicly available news reports and any publicly available documents not created by the U.S. government, such as mass-distribution emails from news media. This Office assigned your request the subject reference number and placed it in the complex processing track where it will be processed as quickly as possible. See 22 CFR § 171.11(h).

You requested a waiver for all fees associated with the processing of your request. Fees shall be waived or reduced if the Department determines that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Your request does not meet the public interest standard set forth in 22 CFR § 171.16(a)(1)(i-iv). Therefore, this Office denies your request for a fee waiver.

Also, you requested expedited processing of this request. According to 22 CFR § 171.11(f), requests shall receive expedited processing when a requester demonstrates a “compelling need” for the information exists for one of the following reasons: (1) failure to obtain the requested information on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; (2) the information is urgently needed by an individual primarily engaged in disseminating information in order to inform the public concerning actual or alleged Federal government activity; or (3) failure to release the information would impair substantial due process rights or harm substantial humanitarian interests. Your request does not demonstrate a “compelling need” for the requested information. Therefore, this Office denies your request for expedited processing.

If you are not satisfied with this Office’s determination in response to your request for a fee waiver and expedited processing, you may administratively appeal to: Appeals Officer, Office of Information Programs and Services, U.S. Department of State, 2201 C Street, NW, Room B266, Washington, D.C. 20520; or facsimile at 202-485-1718. Your appeal must be postmarked or electronically transmitted within 90 days of the date of this email.

This Office will not be able to respond within the 20 days provided by the statute due to “unusual circumstances.” See 5 U.S.C. § 552(a)(6)(B)(i)-(iii). In this instance, the unusual circumstances include the need to search for and collect requested records from other Department offices or Foreign Service posts.

If you have any questions regarding **your request**, would like to narrow the scope or arrange an alternative time frame to speed its processing, or would like an estimated date of completion, please contact our FOIA Requester Service Center or

our FOIA Public Liaison by email at FOIAstatus@state.gov or telephone at 202-261-8484. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, [8601 Adelphi Road](#)-OGIS, College Park, Maryland 20740-6001, email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
