Kari Lake War Room ✓
@KariLakeWarRoom

.@Stephen_Richer & @billgatesaz,

These two clowns sabotaged election day.

They knew 75% of @KariLake's voters would show up on game day, so they programmed the machines to print 19 in images on 20 in ballots.

If they had an ounce of integrity they would have resigned long ago.

"YOUR WELCOME" with Michael Malice

Politics

[Listen on Apple Podcasts ↗](#)

Michael Malice ("YOUR WELCOME") welcomes Arizona gubernatorial candidate, Kari Lake, onto the show to discuss her lawsuit regarding the 2022 Arizona election, the surprising powers that be in Maricopa County, and the odd voting day issues that seemed to only happen in highly Republican Arizona areas.

Kari also shares how she dealt with attacks throughout her campaign, and her strategic advice to young Americans who may be defending themselves against the Left.
