Dear Sir/Ma'am,

Regarding my client's (Irma Estephania Acunamanzano) FOIA claim number FA-23-0003/FP-23-005153, I am tracking the following timeline of events:

- October 24, 2022 FOIA request and Authorization and Consent for Release of Information mailed.
- November 8, 2022 Your office received the request as listed in the acknowledgment letter dated December 13, 2022 (I received via email on December 15, 2022).
- January 25, 2023 1st email requesting a status update;
- January 27, 2023 Email response "working on your case and hope to move it to legal for review within the next few days."
- March 15, 2023 2d email requesting a status update – no response to date.

If the timeline above is incorrect, please advise.

As you are aware, Title 5, USC, Sec. 552, The Freedom of Information Act, established a statutory timeline of 20 days to respond to a FOIA request with an additional 10 days to respond under unusual circumstances upon written notification to the requester. I have not received any such written notification as required by Sec. 552(a)(6)(b), and I never consented to an alternative time frame for processing the request beyond the statutory timeframe.

As you are aware, Sec. 552(a)(6)(C)(i) states: "Any person making a request to any agency for records under paragraph (1), (2), or (3) of this subsection shall be deemed to have exhausted his administrative remedies with respect to such request if the agency fails to

comply with the applicable time limit provisions of this paragraph.” Time is of the essence for my client to receive the requested FOIA records.

Please respond to this final request for a status update with an estimated completion and delivery date for the releasable records.

Very respectfully,

Jeffrey H. Rohrbach
