Sarah – see below for looping Jack and Katie into the meeting request.

Michele – the Humanities Advancement Board (HAB) is the driving force behind this invitation and visit. Since I manage that board, I’m coordinating the internal team. We’re hoping the visibility of this visit will drive awareness to the HAB’s work/purpose and ultimately, generate resources.

Jeannie is helping from a college perspective and she reached out to Mark Land from the university. This is on the President’s calendar since his availability was critical to securing the date with Justice Sotomayor.

Rick is checking with Angie to see if she wants to be included – thanks for the suggestion.

Thanks Donna. In an all day retreat with my team today but pls include Jack and Katie Campbell Smith in your mtg request w/ cc to me and we will work out who needs to attend. On quick glance I'm not seeing how this is development related. Is it or just more promo of having this high visibility dignitary visit Clemson? Are you foreseeing needs for event support / marketing support or both ?

May need to divide and conquer with mix of our team and University and or College/unit contacts.

Also note that Govt Affairs team will be critical here also and may already be involved.

Thx  
Michele

Michele,

This is confidential, as we're waiting on final confirmation from Justice Sotomayor's team, but she's tentatively agreed to come to campus, September 14<sup>th</sup> for an assembly and small group sessions.

I'm pulling together a planning committee, and thought you or someone from your team should be represented. Please let me know who and if you have any questions you need answered at this point to make a decision.

Thanks,

Donna
