## 2006 AMIF Animal Care and Handling Conference Slated for Feb. 23-24, 2006 In Kansas City

Wednesday, September 21, 2005

Representatives of Wal-Mart, McDonald's and the Federal Bureau of Investigation Counterterrorism Division will headline the AMI Foundation Animal Care and Handling Conference for the Food Industry, February 23-24, 2006, at the Sheraton Overland Park in Overland Park, KS, just outside Kansas City.

The conference will again offer an opening general session followed by three tracks: Management and Policy, Applied Pig Handling and Applied Cattle Handling.

This year's conference boasts 11 cosponsoring organizations: The American Association of Bovine Practitioners; American Association of Swine Veterinarians; Animal Agriculture Alliance; Food Marketing Institute; National Cattlemen's Beef Association; National Grocers Association; National Milk Producers Federation; National Pork Board; National Pork Producers Council; National Council of Chain Restaurants; and the National Restaurant Association.

Joan Menke-Schaenzer, vice president of food safety and security at Wal-Mart, and Bob Langert, director of social responsibility at McDonald's, will deliver a "keynote panel discussion" of consumer expectations for animal welfare. The discussion will be moderated by Charlie Arnot, president of CMA Consulting.

Also during the conference's opening general session, John Lewis, director of the FBI's counterterrorism division, will deliver a provocative talk on animal extremism and the challenges faced in the United States.
