Description of Incident:			
<p>On September 4, 2019 at approximately 5:00pm I, K-9 Officer T. Hoover, along with my assigned K-9 Cajos #888-02-0436 was monitoring chow movement in front of housing unit 4 building. The floor officer from HU4, Officer McCelvin, was standing in the lobby of housing unit 4 asked me clear 4D pod out of the lobby. Upon clearing the lobby Officer McCelvin ran into the stair case, I followed him to the stairwell and observed multiple offenders fighting. I gave several direct orders of "State Canine, stop fighting or I will release the dog!" None of the offenders complied, as I approached offenders began to disperse so I gave several more direct orders of "state K-9 get on the ground I will release the Dog!" Several offenders exited the stairwell and got on the ground, Offender J. Duran did not comply with my orders, so my assigned K-9 Cajos engaged offender Jose Duran # 1204788 on the lower left leg. I gave Offender Jose Duran # 1204788 several direct orders of "get on the ground arms out!" Offender Jose Duran # 1204788 got on the ground but kept attempting to fight my assigned K-9 Cajos. I gave Offender Jose Duran # 1204788 several more direct orders of "stop fighting the dog!" Once Offender Jose Duran # 1204788 complied with my orders I gave my assigned K-9 Cajos the command to disengage and he did so immediately. Offender Jose Duran # 1204788 was then restrained and escorted to medical. K-9 SGT T. Gayles and K-9 LT D. Fida were notified. End Report.</p>
