

WHITE FLOWERS MEMORIAL VIGIL FOR POLICE BRUTALITY VICTIMS:

Further to our communication yesterday on vigil, prayers, candle lighting and laying of wreaths in solidarity with and remembrance of lives lost in the hands of the police, we wish to appeal as follows:

1: That the exercise kicks off at 6 am with the lighting of candles and laying of flowers- any kind of flowers- at convenient convergence points including hospitals, parks, bus stages, churches, markets, shopping centers, social halls, county assemblies and county headquarters.

2: That in demonstration of love for the victims and solidarity with their families and the cause they died for, we volunteer and acquire candles and flowers by end of day today in readiness for the vigil and solidarity planned for tomorrow morning, Wednesday, July 26, 2023.

3: That leaders from the various formations of our society including political parties, church and faith organizations, civil society, Community Based Organizations, youth and women groups, the academia and Labour movement, among others, take lead and guide citizens in these sombre and solemn acts of remembrance, solidarity and love.

4: That upon lighting the candles and laying the wreaths, groups organize themselves, sing our Nation Anthem and say prayers for justice for the dead and the injured.

5: That here in Nairobi, leaders from the various pillars of society will gather at the designated location already communicated to say prayers, lay wreaths, light candles and launch a benevolence fund to aid victims and their families.
