FREEDOM OF INFORMATION ACT REQUEST  
January 16, 2020

Defense Intelligence Agency  
ATTN: FAC2A1 (FOIA)  
7400 Pentagon  
Washington, DC 20301-7400

RE: Request under the FOIA, in reply refer to Case #: 00283A

To Whom it May Concern:

Pursuant to the Freedom of Information Act (FOIA), I hereby request the following:

All the “non-responsive record” information in “Special Working Aid 8-84 December 1984” (Attachment 1) and all the “non-responsive record” information from “Special Working Aid 2-85 March 1985” (Attachment 2). Both of these documents have been attached for your convenience. Our organization obtained both of these “Special Working Aid” documents through out litigation with the Department of Defense. The two documents were released in part, not only due to FOIA exemptions but information was withheld because it was deemed “non responsive.” We request the review and release of all information marked as “non responsive” in these two documents.

As the FOIA requires, please release all reasonably segregable non-exempt portions of documents. To allow me to reach an intelligent and informed decision whether or not to file an administrative appeal of any denied material, please describe any withheld records or portions of records and explain the reasoning for exemption.

As an educational institution serving the public interest, the University of Washington Center for Human Rights is entitled to a reduction or waiver of fees. This request is made for scholarly and research purposes that are intended for publication and are not for commercial use. For details of the University of Washington Center for Human Rights’ research and public interest activities please visit our website at [www.jsis.washington.edu/humanrights/](http://www.jsis.washington.edu/humanrights/). Please see the attached letter for additional details.

Please notify me before incurring any photocopying costs over \$25. In an effort to expedite the release of the requested documents, please disclose them as they become available to you, without waiting until all relevant documents have been processed. If you have any questions regarding the identity of the records, their location, or the scope of the request or any other matters, please e-mail me at [uwchr.foia@gmail.com](mailto:uwchr.foia@gmail.com). I look forward to receiving your response within the twenty day statutory time period.

Sincerely,

Angelina Godoy
