Established in 1928 in Baton Rouge, Breazeale, Sachse & Wilson, L.L.P. ("BSW") is one of the oldest law firms in the state of Louisiana. We take great pride in our long history of client service. With more than 70 attorneys, the firm is among the largest firms in the state and one of the larger law firms in the South. BSW's clients range from individuals and start-up companies, to Fortune 500 corporations, governmental entities and not-for-profit institutions.

Since the firm was established, two standards have remained constant: to strive for legal excellence and to be involved in the communities in which we work and live. The members of our firm have served or now serve as presidents, directors, and officers of community and business organizations. Past and present members of our firm have served the city and state as appointed or elected officials. BSW attorneys are active in Bar Activities, serving as officers and directors in the American, Louisiana, and Baton Rouge Bar Associations. The firm maintains a staff of highly trained legal assistants, including Certified Public Accountants, and our employees use the most advanced systems and equipment available to deliver an effective and economical legal product with a focus on client service.
