Thank you I would be interested in that info. In a time where we are so short handed, and OT budgets are limited, we need to figure out if the CVB should still be recruiting these events to Greensboro, or if they cost us too much.

We are working with staff from the NC GOP to coordinate our security and response for the event, which includes who will bear the cost for the services. In most dignitary visits we never fully recoup the costs as we have to plan for contingencies typically not covered for the event. I do not have the #'s of what is being covered by NC GOP for this event but can determine that and actual costs after this weekend.

Tammi, great questions. I know in the past it has been a challenge. Chief may be able to add some context on recent success.

Do we get reimbursed any of our additional expenses for security from the GOP?

Mayor and Members of City Council (bcc):

The NC GOP Convention will be held next week, June 9 – 11<sup>th</sup> at the Koury Convention Center. There will be notable attendees to include Former President Donald Trump, Former Vice President Mike Pence and Governor Ronald Desantis. The Greensboro Police Department will coordinate efforts to ensure we can maintain the health and safety of all attendees and residents. GPD is in communication with the US Secret Service and the appropriate staff from NC GOP's office to prepare for the event.

GPD will be activating officers for Friday and Saturday when we anticipate the highest attendance due to appearances from the previously mentioned individuals. It is not appropriate to provide further details on staffing or security procedures ahead of the event. If there are any questions or specific concerns please let me know.
